Dear CHS Faculty,

Below, please see the invitation to the "Brunch and Learn" Instructional Seminar. The topic is *Effective Lecture Strategies.*

The format will be a bit different than the first Seminar with more time available for group discussion. There will be a brief presentation by Dr. Bill Burke from the TASC Center and a general discussion about the topic.

Please let Keturah know if you plan to attend. This information will help us in planning the amount of food for the brunch. *However, please know that you are most welcome to attend even if you did not send an RSVP!!*

To avoid any confusion, we will send a reminder of the meeting, including the location, to all faculty a few days prior to the Seminar.

Please feel free to contact me if you have any questions. I look forward to seeing you on January 30!

Warm Regards,
Sharon Stewart
