Pracht, Carole, RDH  
Sanders, Kelly, RDH  
Skipworth, Tammy, RDH  
Snow, Lori, RDH  
Taylor, Angela, RDH

UK Dental Care Plan Members may also receive dental services from the College of Dentistry's graduate students/residents or student dentists. Benefits of receiving dental services under this option may provide further reductions in procedural fees and faculty supervision of the work. Plan members may choose this option or may obtain services through faculty clinicians—the decision is left up to the plan member.

\*Not accepting new patients.

This listing is subject to change.
