LAST CHANCE: Staff Appreciation Day at UK

The College of Health Sciences will be hosting a staff appreciation breakfast for staff on Wednesday, May 21 from 8 to 10:30 a.m. [View the attached flyer for more info and to RSVP.](#) Also, please print out the flyer and make sure your associates are aware of the event! **RSVP by Monday at 5 p.m.!!**

Muscle Biology Center Approved

The muscle biology center was recently approved at UK. The goals of the center are to foster collaboration among clinical and basic scientists, catalyze translational research, stimulate educational activities, and increase national recognition for the university in the field of muscle biology. The center is directed by Michael B. Reid, Ph.D., Professor and Chair in the Department of Physiology. Charlotte Peterson, Ph.D., Professor and Associate Dean for Research at CHS is the co-director of the project.

Women and Weights

This month's issue of *FitNews*, a publication of *The Body Shop*, contains information on women and weight training, an upcoming lunch and learn, body boot camp, farmer's market, and more. [Click here to read this publication.](#)

Web Updated
