Download a Podcast of Maria Boosalis

Dr. Maria Boosalis (Clinical Nutrition) was interviewed by ReachMD, College of Health Sciences a station on XM Satellite Radio. The link to the story - *Selenium in Chronic Illness* - can be found here: <http://www.reachmd.com/xmsegment.aspx?sid=3058>
You can listen to the interview through your computer or download a podcast.

Phonathon is Coming!

As you all know, securing funds for student scholarships is the college's main development goal. As part of that goal, UK's central development team will be conducting a phonathon for us beginning on September 29.

As faculty and staff of the college, you will be receiving a call requesting a donation for student scholarships. Please consider a gift of any amount to support our students and make their education more affordable.

Here are some points to consider:

1. As our philanthropy board approaches alumni about giving, many of them are curious about the percent of faculty and staff that are also committed to the cause. They want to know you are supporting these efforts with your time, talent and gifts.
2. The amount you give truly does not matter. Please give according to your ability.
3. A list of who gave and the amount donated will not be public knowledge for anyone, including the Dean.
4. When you receive a call, please let us know what you think about the caller and the message – we can only improve through your feedback!

Blood Drive

The six health colleges at UK are in a "Blood Battle."

Let's show them we're the best! Invite your family and friends and help the college reach our goal of donating **50** pints of blood!

September 18, 2008 --- **The Battle Begins!** --- 8 a.m. to 2 p.m.

Click [here](#) to schedule your donation appointment on-line. Please fill out the required donor form as requested. You will be prompted to enter a sponsor code in order to view our upcoming blood drives. The sponsor code for this organization is 034-A10. Select the blood drive date desired and choose from available appointment times. If you have any questions, you can contact [Allison](#) or [Keturah](#).

Fahringer Named Editor

David Fahringer (Physician Assistant Studies) has been named the feature editor for the *Journal of Physician Assistant Education (JPAE)* Global Perspectives column. He will hold this position until December 41, 2011.

Grad Students Need Your Help

The second-year graduate Communication Sciences and Disorders students have started a team to participate in the [2008 Memory Walk](#) to support the Alzheimer's Association. If you would like to join their team or contribute to their fundraising, please visit their [team website](#) and contact Abbie Dorton at abbiedorton@gmail.com or Ruth Lee at ruthannelee@yahoo.com.
