Program Applying To: \_\_\_\_\_

**UNIVERSITY STUDIES PROGRAM**

**Students who have previously earned any Bachelor’s degree or who will earn the degree prior to starting the PT education program need not complete these University requirements or this form.**

This is a list of general educational requirements at the University of Kentucky, known as the Universities Studies Program (USP). You must fill this form out as completely as possible. Keep in mind that these general educational requirements must be completed prior to starting the professional program. If you receive an interview, your transcripts will be evaluated and you will be notified of missing requirements. You will have the summer semester to complete them.

**Please fill these course requirements out as completely as possible by identifying the courses (prefix and number, grade, and semester taken) which you have taken or will take in order to complete these USP requirements prior to the start of the program in Physical Therapy, for example, Eng 101, A, Spring 03.**

**University Studies Program:**

**I. Basic Skills**

A. Mathematics - College Algebra. You may bypass algebra and take a calculus course.

\_\_\_\_\_

B. Foreign Language -Two years of a foreign language in secondary school as indicated on transcripts OR any sequence of two semesters of the same foreign language in college. (If relying on two years of high school Foreign Language all transfer students must include H.S. Transcripts indicating 2 years of a foreign language.)

High School Completion: \_\_\_\_\_ College Completion: \_\_\_\_\_

**II. Inference and Communicative Skills**

A. Inference - Any calculus course (including elementary calculus, but normally not “pre-calculus”): \_\_\_\_\_

- B. University Writing Requirement - Two semesters of English composition at a school other than UK, Eng 104 at UK.

\_\_\_\_\_

There is also a UK English Writing, Graduation Requirement that must be taken at UK, only.

**If you are a Transfer student applying as a University Scholar, you may take this course during your 1st semester in the DPT program. All other USP requirements must be completed prior to the fall.**

\_\_\_\_\_

### III. Disciplinary Requirements

A. Natural Sciences:

Two semesters of General Chemistry with Lab(s)

\_\_\_\_\_

Two semesters of Biology with Lab(s):

\_\_\_\_\_

Two semesters of Physics with Lab(s):

\_\_\_\_\_

Fax (859) 323-6003

**IV. Cross-Cultural Requirement - Any one Course \_\_\_\_\_**

One course from any discipline (including: Political Science, Geography, Anthropology, History, Art, Literature, etc.) with an exclusive focus on the non-western world or a third world country or region. May be taken at any institution. (Courses which focus on the Western and Non-Western world such as World Geography, World Politics are not acceptable, see note below).

Since the Cross Cultural requirement is rather unique to the University of Kentucky, you might elect to take this only if you are accepted into the P.T. Program. This course can be completed during the summer prior to starting the professional program, or in some cases, might be taken during the first semester, fall, of the professional program.

**NOTE:**

If you are concerned that a course(s) will not be evaluated accurately, you are invited to submit Xerox copies of any course description from your school's catalogue. These courses should be highlighted in some fashion.
