

# Research Study for Children to Test Balance

Researchers at the University of Kentucky College of Health Sciences are conducting a research study to investigate the reliability of a test of balance for children with cerebral palsy.

**Your child may be eligible to participate if he or she:**

- is between the ages of 4 and 10 years old; and
- is a healthy child with cerebral palsy.

College of Health Sciences, Wethington Building,  
Musculoskeletal Laboratory investigator & coordinator:

Gina Siconolfi-Morris at (859) 323-1100 ext. 80578
