

28th Annual Summer Series on Aging Conference

Invitation to Sponsor June 13-15, 2011

The University of Kentucky College of Public Health is pleased to announce the **28th Anniversary Summer Series on Aging**. The conference will be held at the **Griffin Gate Marriott Resort & Spa** in Lexington, Kentucky. We would like to offer you the opportunity to support the Summer Series, one of the premier aging conferences in the country.

The Summer Series on Aging is designed specifically to provide a forum for professionals to share the most current, innovative and practical information in the fields of geriatrics and gerontology from a multi-disciplinary perspective. Our 2010 Conference attracted more than 400 participants from 18 states, the District of Columbia and 1 foreign country, representing a variety of disciplines, organizations and groups. More than 30 nationally recognized speakers provided state-of-the-art, cutting edge information.

Conference participants at the 2011 conference will have an opportunity to choose sessions on topics such as The Green House Project®, end of life, dementia care and research, innovations in long term care, mental health, spirituality, medications, elder abuse, caregiver issues, health promotion, emergency preparedness and much, much more.

Our sponsorship packages generally fall into one of four categories:

Platinum	(\$5000+)
Gold	(\$2500-\$4999)
Silver	(\$1000-\$2499)
Bronze	(\$500-\$999)

Each sponsorship level comes with certain “perks” and benefits. In addition, we would be happy to discuss a customized sponsorship with you, including ways for in-kind contributions. See attached for sponsorship packages.

28th Annual

Summer Series on Aging

We would like to offer you the opportunity to support the University of Kentucky Summer Series, one of the premier aging conferences in the country!

The Summer Series on Aging is designed specifically to provide a forum for professionals to share the most current, innovative and practical information in the fields of geriatrics and gerontology from a multi-disciplinary perspective. In 2010, our Conference attracted more than 400 participants from 18 states, the District of Columbia, and 1 foreign country, representing a variety of disciplines, organizations and groups. At least thirty nationally recognized speakers provided state-of-the-art, cutting edge information.

Our sponsorship packages generally fall into one of four categories. However, we would be happy to discuss a customized sponsorship with you, including ways for in-kind contributions.
