Directions to Musculoskeletal Laboratory which is located in Room 222 in College of Health Sciences (CT Wethington Building) at 900 S. Limestone and is directly attached to the Kentucky Clinic. We recommend you park in the Kentucky Clinic Parking structure. After entering the Kentucky Clinic go to the second floor. Walk down the C hall which is marked in Red. You will pass a large open area and you will see a Dentistry sign overhead. Beyond Dentistry go through the double doors and follow the main hallway. You will come to a central bank of elevators and restrooms, follow the hallway to the left and you will find Room 222.
