Award Announcement

It is my pleasure to announce the availability of the Paula Fritz, R.N. Patient Education Award from the University of Kentucky Saha Cardiovascular Research Center. Available is one \$1,000.00 unrestricted award recognizing a nurse or team of nurses that display creativity and innovation in cardiovascular patient education.

Nurses should submit the application describing a new project or approach to patient education in a cardiovascular population. The application should also include data before and after implementation of the project and a summary of outcomes. The project must have been implemented within the last 2 years. Two letters of recommendation are required at time of submission.

Applications are due no later than June 1, 2012. Winners will be notified by August 1, 2012.

The award will be presented at the University of Kentucky Gill Heart Institute Cardiovascular Research Day on Friday, October 5, 2012 at the Lexington Convention Center. Further details regarding the award's presentation will be communicated to award winners, who must be in attendance. (For teams – at least one representative must be present at the awards ceremony.)

To be considered for this award, please submit all required materials to:
