

Difficult Learner Checklist

- ❑ Provide a detailed orientation covering your expectations and the student's responsibilities. Provide an opportunity for questions.
- ❑ Encourage an open dialogue throughout the rotation.
- ❑ Schedule regular feedback.
- ❑ If a problem arises develop an understanding of the problem through questioning and discussion. Try to encourage open dialogue, avoid assumptions, and look for a compromise.
- ❑ Contact the course director if a problem persists or no solution can be found.
- ❑ Grade appropriately.
