STAR SPANGLED BANNER

*Francis Scott Key
September 1814*

*Oh, say can you see, by the dawn's early light,
What so proudly we hail'd at the twilight's last gleaming?
Whose broad stripes and bright stars, thro' the perilous fight,*

*O'er the ramparts we watch'd, were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air,
Gave proof thro' the night that our flag was still there.*

*O say, does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?*

THE HEALTH PROFESSIONS COVENANT

As a health care professional dedicated to enhancing the well-being of individuals and communities, I am committed to achieving and sustaining the highest level of professional competence, to fulfilling my responsibilities with compassion for patients' suffering, and to helping patients make their own informed choices about health care whenever possible. Recognizing that effective health promotion, disease prevention, and curative and long-term care are products of the combined efforts of teams of health professionals, I pledge collaboration with all my colleagues similarly committed to meeting the health care needs of individuals and their communities. Further, I will work within my profession to encourage placement of the patient's and the public's interests above the self-interests of my individual profession.

My Old Kentucky Home

Words and Music by: Stephen C. Foster

Organist: Brian Hunt

The sun shines bright in my old Kentucky home
 'Tis summer, the people are gay;
The corn top's ripe and the meadow's in the bloom,
 While the birds make music all the day;
The young folks roll on the little cabin floor,
 All merry, all happy and bright,
By'n by hard times comes a-knocking at the door,
 Then my old Kentucky home, good night!

CHORUS

*Weep no more, my lady,
 Oh weep no more today!
We will sing one song for the old Kentucky home,
 For the old Kentucky home far away.*

They hunt no more for the 'possum and the coon,
 On meadow, the hill and the shore,
They sing no more by the glimmer of the moon,
 On the beach by that old cabin door;
The day goes by like a shadow o'er the heart,
 With sorrow where all was delight;
The time has come when the people have to part,
 Then my old Kentucky home, good night!

CHORUS

The head must bow and the back will have to bend,
 Wherever the people may go;
A few more days and the trouble all will end
 In the field where sugar-canes may grow;
A few more days for to tote the weary load,
 No matter, 'twill never be light,
A few more days till we totter on the road,
 Then my old Kentucky home, good night!

CHORUS
