Registration Fees & Educational Materials

Registration fees include educational materials, a continuing education online statement of credit, breakfast, breaks and lunch. As part of our "Green CME" policy, educational materials will be available online for download prior to the meeting. Any materials not available prior to the meeting will be made available immediately afterward.

Refund & Cancellation Policy

Because of the inexpensive registration fee, refunds for this activity will not be possible. Registration may be transferred to another participant. We reserve the right to cancel or make substitutions to this activity. A full refund will be issued if circumstances warrant cancellation.

Meeting Facilities & Accommodations

All educational sessions and meal functions will be held at Woodsen Bend Resort, 14 Woodsen Bend Resort, Bronston, KY. Parking is available on the grounds of the resort and is complimentary for guests and conference attendees. Condos are available starting at \$172.36 for one night, and \$206.92 for two nights. For reservations, contact Connie at 800-872-9825.

This Activity is Sponsored By

The Kentucky and Tennessee Local Performance Sites of the Southeast AIDS Training and Education Center (Atlanta, GA).

*About HIV in 2009

HIV in 2009 is approved by the Kentucky Department of Public Health as course #0710-0722-M (2-hr. Kentucky HIV Certification for Medical Professionals). It is approved for all professions for licensing including: physicians, physician assistants, podiatrists, social workers, athletic trainers, chiropractors, dentists and dental hygienists, emergency medical technicians, nurses, optometrists, and paramedics.

Learning Objectives

Upon completion of this educational activity participants will be able to:

- Describe and diagnose the basic symptoms of both acute and chronic HIV.
- Discuss primary care issues relative to a patient's HIV/AIDS diagnosis.
- Demonstrate knowledge of basic HAART regimens and patient safety issues revolving around those medications.
- List characteristics and treatment of the most common sexually transmitted infections.
