10. In the **Password** field, type your **password** and press the **Enter** key.

```
University of Kentucky Hospital
Signon to CICS/TS 1.3                                APPLID PRD4CICS

WELCOME TO CICS/ESA - CICS/PROD

Type your userid and password, then press ENTER:

  Userid . . . . ictced
  Password . . .
  Language . . .
  New Password . . .

ke
PR

DFHCE3520 Please type your userid.                    8
F3=Exit
KH1RVMW1
```

11. When the “**Sign-on is Complete**” message appears, type **MPAC** and press the **Enter** key.
12. A menu may appear. Select Patient Management or Patient Care by typing an “**X**” in front of the option and press the **Enter** key.
13. The Master screen appears.

Note: If the message “**Invalid Sign-on Attempt**” appears, press the **Pause/Break** key and resume with step **7** above.

Remember: The userid and password are **not case sensitive**. If you have userid or password issues, contact the MCIS Support Center at 323-8586.
