

College of Medicine Student Organization Meeting Dates/Contacts - 2008-2009

Assigning a specific day of the month for each student organization meeting avoids conflicts that force students to choose between interest groups in which they want to participate. Meetings are generally held from Noon-1:00 PM (Sept-May) at a meeting site designated by each organization's officers, and are announced by e-mail.

Check below for regular meeting days, contact persons (Presidents) and e-mail addresses:

ORGANIZATION	MEETING DAY	CONTACT	E-MAIL
