

All are invited to attend
Dean's Distinguished Lecture Series
Noon to 1 pm Thursday, October 1, 2009
Hospital Auditorium, HG611

"Molecular Signaling between the Bone Marrow Microenvironment and Stem Cells"

Objectives:

1. Discuss the concept that stem cells have both intrinsic and extrinsic regulators.
2. Review extrinsic regulators that define the stem cell niche in the bone marrow.
3. Characterize a molecular regulator of stem cell's interactions with the bone marrow niche.

Gary Van Zant, PhD
Professor
Division of Hematology/Oncology
Department of Internal Medicine
University of Kentucky

An Equal Opportunity University

If you require special physical arrangements to attend this meeting, please call 323-8545

Please bring your lunch ★ Soft drinks and water will be provided

Sponsored by Jay A. Perman, M.D., Dean, College of Medicine

Target Audience: Internal & affiliated UK Medical Center faculty and staff

The University of Kentucky College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The University of Kentucky College of Medicine designates this educational activity for a maximum of 1 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity. The University of Kentucky College of Medicine presents this activity for educational purposes only. Participants are expected to utilize their own expertise and judgment while engaged in the practice of medicine. The content of the presentations is provided solely by presenters who have been selected for presentations because of recognized expertise in their field. All faculty participating in continuing medical education programs sponsored by the University of Kentucky College of Medicine are expected to disclose any real or perceived conflict of interest related to the content of their presentations. In addition, any product discussed that is not labeled for the use discussed or is still investigational must be disclosed as such to participants.

The University of Kentucky College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This knowledge-based activity has been assigned ACPE # 022-000-09-098-L01-P [KB] and will award up to 1 contact hour (1 CEU) of continuing pharmacy education credit in states that recognize ACPE providers. Statements of credit will indicate hours and CEUs based on participation and will be issued online at the conclusion of the activity. Successful completion includes signing in at registration, attending the entire session for which credit is claimed, completing the activity evaluation and requesting credit online at conclusion of the activity. The College complies with the Accreditation Standards for Continuing Pharmacy Education.
