

All are invited to attend
The Dean's Distinguished Lecture Series
Noon to 1 pm Thursday, March 5, 2009
Hospital Auditorium, HG611

If you require special physical arrangements to attend this meeting, please call 323-2615

*"Idiopathic Pulmonary Fibrosis: A Model of
Interdisciplinary Translational Investigation"*

Objectives:

- 1) Appreciate the value of a multidisciplinary team to optimize a translational approach to a complex medical disorder
- 2) Apply this to idiopathic pulmonary fibrosis, a fatal pulmonary parenchymal disorder
- 3) Understand how mechanistic insight into disease pathogenesis can be translated into plausible therapeutic approaches

Fernando J. Martinez, M.D., M.S.

Professor of Internal Medicine

Medical Director, Pulmonary Diagnostic Services

Co-Medical Director, Lung Transplantation

Division of Pulmonary & Critical Care Medicine

University of Michigan Health System

Lunch available at 11:30 a.m.

Presentation begins at Noon.

Sponsored by C. William Balke, M.D., Associate Provost for Clinical and Translational Science, Jay A. Perman, M.D., Dean, College of Medicine, the Emery A. Wilson Lecture Series, and the AOA Groves Memorial Student Research Symposium

The University of Kentucky College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The University of Kentucky College of Medicine designates this educational activity for a maximum of 1 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity. The University of Kentucky College of Medicine presents this activity for educational purposes only. Participants are expected to utilize their own expertise and judgment while engaged in the practice of medicine. The content of the presentations is provided solely by presenters who have been selected for presentations because of recognized expertise in their field. All faculty participating in continuing medical education programs sponsored by the University of Kentucky College of Medicine are expected to disclose any real or perceived conflict of interest related to the content of their presentations. In addition, any product discussed that is not labeled for the use discussed or is still investigational must be disclosed as such to participants.

The University of Kentucky College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This knowledge-based activity has been assigned ACPE # 022-000-09-018-L01-P [KB] and will award up to 1 contact hour (1 CEU) of continuing pharmacy education credit in states that recognize ACPE providers. Statements of credit will indicate hours and CEUs based on participation and will be issued online at the conclusion of the activity. Successful completion includes signing in at registration, attending the entire session for which credit is claimed, completing the activity evaluation and requesting credit online at conclusion of the activity. The College complies with the Accreditation Standards for Continuing Pharmacy Education.
