

*All are invited to attend*  
**The Dean's Distinguished Lecture Series**  
**Noon to 1 pm Thursday, May 7, 2009**  
**Hospital Auditorium, HG611**

If you require special physical arrangements to attend this meeting, please call 323-2615

*"Research and Education in Biomedical Informatics:  
Relevance to Clinical Translational Research"*

**Objectives:**

- 1) Be able to define biomedical informatics and its distinction from bioinformatics, imaging informatics, clinical informatics, and public health informatics.
- 2) Understand the role of biomedical informatics as a discipline for research and education in the academic medical center.
- 3) Explain the role of biomedical informatics in support of clinical and translational research, personalized medicine, and hence the CTSA grants program.

**Edward Shortliffe, MD, PhD, MACP, FACMI**  
**Professor of Biomedical Informatics,**  
**Arizona State University**  
**President and CEO Designée**  
**American Medical Informatics Association**

*Lunch available at 11:30 a.m.*  
*Presentation begins at Noon.*

**Sponsored by C. William Balke, M.D., Associate Provost for Clinical and Translational Science, Jay A. Perman, M.D., Dean, College of Medicine and the Emery A. Wilson Lecture Series**

Target Audience: Internal & affiliated UK Medical Center faculty and staff

The University of Kentucky College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The University of Kentucky College of Medicine designates this educational activity for a maximum of 1 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity. The University of Kentucky College of Medicine presents this activity for educational purposes only. Participants are expected to utilize their own expertise and judgment while engaged in the practice of medicine. The content of the presentations is provided solely by presenters who have been selected for presentations because of recognized expertise in their field. All faculty participating in continuing medical education programs sponsored by the University of Kentucky College of Medicine are expected to disclose any real or perceived conflict of interest related to the content of their presentations. In addition, any product discussed that is not labeled for the use discussed or is still investigational must be disclosed as such to participants.

The University of Kentucky College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This activity has been assigned ACPE # 022-000-09-042-L01-P and will award up to 1 contact hour (1 CEU) of continuing pharmacy education credit in states that recognize ACPE providers. Statements of credit will indicate hours and CEUs based on participation and will be issued online at the conclusion of the activity. Successful completion includes signing in at registration, attending the entire session for which credit is claimed, completing the activity evaluation and requesting credit online at conclusion of the activity. The College complies with the Accreditation Standards for Continuing Pharmacy Education.
