Health Care Delivery in the 21st Century

This symposium commemorates the official groundbreaking for the new UK Albert B. Chandler Hospital. Join us as we celebrate the past and anticipate the future with discussions regarding health care in the 21st century.

Three nationally recognized leaders in health care shed light on the issues that clinical practitioners, local and federal politicians and individual citizens must consider while contemplating health care delivery in the 21st century.

Target Audience
This conference is designed for health care practitioners and health system professionals.

Objectives
This symposium will orient attendees to the important health care delivery issues they will face in the 21st century. It will address the need to change the delivery of health care, challenge the norms of a modern medical practice and reveal the implications for research and future trends for funding.

Learning Objectives
Upon completion of the symposium, participants will be able to:
• Describe the principal challenges facing medical education
• Discuss the role of academic medical centers in transforming the health care system
• Discuss why our traditional care delivery model cannot meet the challenges of the 21st century
• Explore how integrated care can address the challenges
• Describe alternative strategies for accelerating care integration
• Describe health and health systems in the United States in global context
• Define characteristics of the U.S. system as one of three types of systems
• Identify multiple determinants of health outcomes with a health ecology model

Agenda
1:00 p.m. Welcome and Introductions
1:15 p.m. Opening Remarks
1:30 p.m. Preparing Physicians for the 21st Century
    Jordan J. Cohen, MD
2:30 p.m. Refreshment Break
    David M. Lawrence, MD
3:45 p.m. Health and Health Systems in Global Context: A 21st Century Perspective
    Sue T. Hegyvary, PhD, RN, FAAN
5:00 p.m. Evaluation and Adjournment
David M. Lawrence earned a medical degree from the University of Kentucky and a master's degree in public health from the University of Washington. Until his retirement in 2002, Dr. Lawrence acted as CEO of Kaiser Foundation Health Plan, Inc. and Kaiser Foundation Hospitals and served as the organization's board chairman. He is the author of *From Chaos to Care: The Promise of Team-Based Medicine*, which examines the health-care delivery system of the last century and makes a case for a team-based approach. Dr. Lawrence is board certified in preventive medicine and was named the UK College of Medicine's outstanding alumnus in 1995.

Sue T. Hegyvary earned a master's degree in nursing from Emory University and a doctorate in sociology from Vanderbilt University. She is dean emeritus of the University of Washington School of Nursing. Professor Hegyvary has successfully combined her professional base in nursing with a specialty in complex organizations to direct major challenges, such as instituting primary nursing in a large medical center in Chicago; collaborating on national and international nursing care quality studies; teaching health systems and international health in Russia and Uzbekistan; and setting up a long-term contractual agreement with ERA Care, Inc., in Seattle to model quality care for older adults.
Accreditation

MEDICINE
The University of Kentucky College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians.

The University of Kentucky College of Medicine designates this educational activity for a maximum of 3.0 AMA PRA Category 1 Credits™. Each physician should claim only those credits actually spent in the educational activity.

The University of Kentucky College of Medicine presents this activity for educational purposes only. Participants are expected to utilize their own expertise and judgment while engaged in the practice of medicine. The content of the presentations is provided solely by presenters who have been selected for presentations because of recognized expertise in their field.

PHARMACY
The University of Kentucky College of Pharmacy is approved by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

This program has been assigned ACPE # 022-000-07-010-L04 and will award 3.0 contact hours (0.3 CEUs) of continuing pharmacy education credit in states that recognize ACPE providers. Statements of credit will indicate hours and CEUs based on participation and will be issued at the conclusion of the activity. The college complies with the Criteria for Quality for continuing education programming.

NURSING
The University of Kentucky, College of Nursing is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.

The Kentucky Board of Nursing approves the University of Kentucky, College of Nursing as a provider as well. Kentucky Board of Nursing approval of an individual continuing nursing education provider does not constitute endorsement of program content. This educational activity is approved for a maximum of 3.6 KBN (50 Minute) contact hours and 3.0 ANCC (60 minute) contact hours for nurses who complete program. Provider #: 3-0008-7-07-175. Expiration date: July 2007, a certificate will be issued to participants after the conference.

DENTISTRY
The University of Kentucky College of Dentistry is an ADA CERP recognized provider. All programs are approved for Fellowship and Mastership credit by the Academy of General Dentistry. All programs sponsored by the University of Kentucky for dentists and dental hygienists are approved by the Kentucky Board of Dentistry for credit of one point per hour. This course is designated to provide 3 hours of continuing education credit. Credit given depends on hourly attendance.

An Equal Opportunity University
Meeting Facility and Parking
