## EDUCATION:

- Ph.D.**      **University of Maryland, College Park, MD.**  
Health Education, 1984  
Dissertation: Perceived Control and Coping on the Job
- M.A.**      **The American University, Washington, DC.**  
School of International Service  
Language and Area Studies, Southeast Asia/Culture Change  
Honors: Title VI Foreign Language Fellow (Thai)
- B.A.**      **Wake Forest University, Winston-Salem, NC.**  
Cum Laude
- 

## TEACHING AND RESEARCH EXPERIENCE:

5/2005-present **Director, Appalachian Center**  
University of Kentucky, Lexington, KY

2002-present **Associate Professor, Research/Special Title Series**  
Department of Health Behavior, College of Public Health  
University of Kentucky, Lexington, KY  
Coordinator, Doctor of Public Health program, Health Behavior  
Concentration  
Funded research projects have included:

- Program evaluation, Kentucky Diabetes Prevention and Control Program
- Program evaluation, Kentucky Comprehensive Cancer Control Program
- Evaluation, UK Prevention Research Center, Rural Cancer Training Program
- Public health systems performance assessment, research on national instrument.

Current Doctoral Dissertation Committees:  
Brandon Ofem, Gatton College of Business  
Terri Giltner, College of Education  
Karen Hlinka, College of Education  
Deronda Mobelini, College of Education

1992-2000 **Associate Professor, Tenured.**  
Department of Public Health, College of Public and Allied Health  
East Tennessee State University, Johnson City TN.  
Undergraduate Courses: Community Health; Stress Management;  
Personal Health Behavior (Distance Learning Course); Principles and  
Practices of Patient Education.

Interdisciplinary Rural Track Courses (Kellogg Community Partnership):  
Communication Skills for Health Professionals; Rural and Community Health; Epidemiology and Biostatistics.

MPH Courses: Assessment of Individual and Community Health; Intervention Strategies for Health Education; Planning, Research and Evaluation in Public Health Education; Research Methods; Planning and Implementation of Community Health Programs; Social and Behavioral Foundations of Public Health Practice.

Supervised students' field placements for experiential, competency-based courses.

Adjunct Faculty, Department of Family Medicine, James M. Quillen College of Medicine.

1985-1992 **Assistant/Associate Professor, Tenured.**

Department of Community Health, School of Allied Health Sciences East Carolina University, Greenville, NC.

Undergraduate Courses: Community Diagnosis; Community Health; Health Behavior; Individual Strategies for Behavior Change; Issues in Health Care Delivery. Supervised interns in a variety of settings.

Graduate Courses: Planning and Evaluation of Community Health Education Programs; Maternal and Child Health.

Director, Community Health Undergraduate Track.

Adjunct Associate Professor, Department of Emergency Medicine, ECU College of Medicine.

Responsible for leading complete revision of interdepartmental curriculum.

1984-1985 **Assistant Professor, Tenure Track.**

Department of Health and Physical Education, Health Promotion Program University of Virginia, Charlottesville, VA.

Graduate Courses: Health Behavior; Planning and Evaluation; Health Promotion at the Worksite; Stress Management.

Undergraduate Courses: Contemporary Health Issues; Women's Health. Responsible for development of Master of Education program in Health Promotion.

Spring 1984 **Instructor.**

Johns Hopkins University, Evening College, Baltimore, MD.

Courses Taught: Stress Management.

1982-1984 **Instructor.**

Department of Health Education, University of Maryland Summer School and Evening College, College Park, MD.

Courses Taught: Controlling Stress and Tension; Women's Health.

1981-1984 **Graduate Assistant.**

Department of Health Education, University of Maryland, College Park, MD.

Assisted faculty with service courses; taught undergraduate course in controlling stress and tension; organized office, developed budget, and wrote funding proposal for Health Education Associates, a proposed faculty consulting group.

1979-1981 **Research Associate.**

Johns Hopkins School of Hygiene and Public Health, Baltimore, MD. Responsible for field-site planning, implementation, and evaluation of Breast Self-Exam Study conducted for the National Cancer Institute at the University of Maryland. Recruited, trained and supervised peer educators; developed educational materials; supervised data collection; coordinated annual Breast Exam Clinic; prepared manuals and reports.

**RELATED EXPERIENCE:**

2000-2002 **Coordinator of Planning and Program Development.**

Appalshop, Inc., Whitesburg, KY

Facilitated governance, management and participatory decision-making for worker-run non-profit organization with annual budget over \$3M. Provided consultation in program planning, evaluation and proposal development to project directors using media and the arts for cultural preservation and social change. Brought new health-related media funding into the organization.

1996-1999 **Director, Health Promotion/Disease Prevention.**

University of Kentucky Center for Excellence in Rural Health, Hazard, KY. Directed grant-funded project in three rural, southeast Kentucky counties, applying community initiated decision-making methodology to development of health promotion/disease prevention programs. Annual budget \$340,000.

Full-time: 8/96-6/97, part-time: 1/96-5/96, 7/97-6/99.

1984-1986 **Associate.**

Legerton-Wilcoxon Associates, Charlottesville, VA. Consultants in Management Training and Education. Developed custom employee health enhancement programs.

1983-1984 **Community Health Educator.**

Prince George's County Health Department, Cheverly, MD.

Provided staff support for health education for 600 employee HD. Focused on health problems of Southeast Asian refugees; staff communication skills; sanitarian job analysis and training; and organizational development. Part-time.

### **GRANTS APPLIED FOR:**

Management Teams, Ego Networks, and Organizational Outcomes: The Role Of Economic Development Organizations in a Distressed Region (September, 2010). National Science Foundation, \$598,267. Interdisciplinary Team Convener and Co-Investigator. Walter J. Ferrier, PI. In Review.

Kentucky and Appalachia Public Health Training Center (July, 2010). Department of Health and Human Services, \$647,307.00. Co-Investigator. Cynthia Lamberth/Douglas Scutchfield, PI. Funded.

IDEAL Communities and Childhood Obesity Prevention (August, 2010). NIFA/USDA. Co-Investigator; Deborah Murray, PI. In Review.

Collaboration and Learning in Rural Networks of Economic Development Organizations (September, 2009). National Science Foundation. \$443,700. Principal Investigator. Not funded.

Eastern Kentucky Growing Local Economies Network (March, 2009). Appalachian Regional Commission. \$81,000. Principal Investigator. Not funded.

Eastern Kentucky Growing Local Economies Network (March, 2009). Appalachian Regional Commission. \$98,800. Principal Investigator. Not funded.

Groundwork: Assessment of the Potential for Sustainable Local Food Systems in Appalachian Kentucky (June, 2009). USDA: Southern Sustainable Agriculture Research and Education. \$299,200. Principal Investigator. Not funded.

Growing Local Economies: Technical Assistance to Economically Distressed Appalachian Counties (September, 2009). Appalachian Regional Commission. \$148,000. Principal Investigator. Not funded.

Cultural Determinants and Barriers to Depression Care in Appalachian Kentucky (Spring, 2009), NIH Career Development Award in Patient-Oriented Research. Mentor to fellow Sheila Botts, MD. Resubmitted version in review, Fall, 2009.

Growing Local Economies: New Tools for Community Economic Development (Spring, 2008), National Research Institute, CREES, \$500,000. Co-Investigator; coordinated collaboration between College of Agriculture, College of Business, College of Arts and Sciences, and the Appalachian Center. Alison Davis, PI. Not funded.

Mapping a Mountain Path: DigitizeManipur (Fall, 2007). Shelley & Donald Rubin Foundation travel grant for five inter-institutional collaborators. \$10,000. Funded.

Partnership to Address Lead Hazards for Children in Central Appalachian Housing (Spring, 2007). Environmental Protection Agency, \$250,000. In collaboration with College of Public Health, College of Design, and the Federation of Appalachian Housing Enterprises. Not funded.

Empowering a rural Appalachian community to access, use and influence global, national and regional news and information relevant for its development through a multipurpose Web 2.0 portal and a resident facilitator (2006). Knight Brothers Innovation Award Competition, \$960,455. Co-Investigator with Chike Anyaegbunam. Not Funded.

Appalachian Data Dashboard (2006), Pre-application to the Appalachian Regional Commission, \$256,800. Principal Investigator. Not funded.

An Appalachian Conversation: Going Local to Beat the Global Competition (2006). Pre-application to the Appalachian Regional Commission., \$360,900. Principal Investigator. Not funded.

Appalachian IDEAS Network: A Social Entrepreneurship Showcase. Equitable Resources Foundation, \$6,500. Principal Investigator. Funded at reduced level.

Food and Healthy Communities in Appalachian Kentucky (2006). National Conferences

for Undergraduate Research/Lancy, \$40,000. Co-director, Janet Tietjen. Not funded.

Central Highlands Rural People, Rural Policy Network (2006 & 2007). W. K. Kellogg Foundation, \$100,000. Principal Investigator. Not funded.

The Coal Research Network: Building a Transdisciplinary Research Community in Appalachia. National Science Foundation (2006). \$125,000. Co-Principal Investigator. Not funded.

Comprehensive Cancer Control: From Plan to Implementation in Appalachian Communities (2006). Appalachian Regional Commission, \$300,000. Evaluator. Not funded.

Addressing Cancer Disparities: Community Participation in Appalachian Kentucky (2005). R24 participatory research proposal submitted to NIH. \$1,615,000. Principal Investigator. Not funded.

Development of a Conceptual Model for Research and Application of Narrative Theory in Community Breast Cancer Prevention and Control (2005). Submitted to DOD Breast Cancer Concept Award Program. \$75,000. Principal Investigator. Not funded.

Measuring the Built Environment for Walking (2004). In collaboration with UK multidisciplinary team. R21 submitted to NIH. \$250,000. Co-Investigator. Not funded.

Improving the Health of Mothers and Children in Santo Domingo, Ecuador (2004). In collaboration with a UK multidisciplinary team and Partners of the Americas. Submitted to USAID. Collaborator/trainer. Not funded.

Community Story Gatherings for Breast Health (2004). Susan B. Komen Lexington Affiliate, \$100,000. Project Director. Funded at reduced level--Declined.

Surveillance and Evaluation, Kentucky Diabetes Prevention and Control Program (2003). Kentucky Department of Public Health (with funding from the CDC), \$60,000. Principal Investigator. Funded. 7/15/03-6/30/04. Continuation, 7/1/04-6/30/05, \$50,000. Continuation, 7/1/05-6/30/06, \$40,000. Continuation, 7/1/07-6/30/08, \$25,000.

Steps to a Healthier US: A Community-focused Initiative to Reduce the Burden of Asthma, Diabetes and Obesity (2003). Centers for Disease Control and Prevention, \$1.2M. [Principal Investigator, Richard Clayton, Co-Investigator/Director, Philip Curd.] Co-Investigator/Evaluator. Not funded.

O Sister Where Art Thou: A Pilot Patient Navigator System for Rural Appalachia (2003). A joint project of the University of Kentucky and Mountain Empire Older Citizens, Inc., Big Stone Gap, VA. The Susan B. Komen Foundation, \$250,000. Principal Investigator. Superior rating, not funded due to budget constraints.

Appalachian Cervical Cancer Outreach Demonstration Project (ACCODP) (2002). Appalachian Regional Commission, \$400,000. Co-investigator. Funded, 10/2002-3/2004.

Appalachian Rural Radio Health Literacy for Diabetes Control (2002). A joint project of WMMT/Appalshop Community Radio, University of Kentucky School of Journalism and Telecommunications, and Mountain Comprehensive Health Care Corporation. Pfizer Health Literacy Initiative, \$100,000. Project Co-director. Funded, 10/2002-9/2004.

The Story of Diabetes: A Radio Series (2001). A joint project of WMMT/Appalshop Community Radio, Roadside Theater, and the Kentucky Diabetes Network. Sound Partners for Community Health, \$35,000 plus an additional \$17,500 for community and media partners, Consultant. Funded, 7/2002-12/2003.

Perceptions and Meaning of Weight and Weight Control among Overweight Women in Harlan County, KY (2000), Faculty Research Development Grant, East Tennessee State University, \$5,870, Principal Investigator. Funded, 7/2000.

Community Initiated Decision Making for Health Promotion/Disease Prevention (1996, 1998). Robinson Forest Trust, \$1,246,000, Project Director, UK Center for Rural Health. Funded, 1995-1998, Additional Funding, 1998-1999.

Grassroots Participatory Video Workshop, Sololá, Guatemala (1999), Presidential Grant-in-Aid and International Programs Travel Grant, East Tennessee State University, \$1,900. Funded, 7/99.

Community-Initiated Environmental Solutions (1998). A Joint Project of the University of Kentucky Center for Excellence in Rural Health, East Tennessee State University, and the Harlan County, KY Environmental Task Force. National Institutes of Environmental Health Sciences, Environmental Justice: Partnerships for Communication Initiative, \$543,127, Co-investigator. Not funded. Recommended for resubmission.

Core Capacity Building for Tobacco Control in the State of Tennessee (1994). The Tennessee Department of Health, CDC IMPACT Program, \$49,200, Principal Investigator. Funded, 1994-1996.

SmokeLess States: The Tennessee Statewide Tobacco Control Initiative (1994). Robert Wood Johnson Foundation, \$303,337, Tennessee Team Leader. Not Funded.

ETSU Volunteer for Health Project. Northeast Tennessee Area Health Education Center. \$7,000, Project Director. Funded.

Evaluation and Demonstration of Effectiveness and Cost of Alternative Protocols for Improving Compliance with Referral Advice Given to Hypertensive Patients seen in Hospital Emergency Departments (1989). Kate B. Reynolds Health Care Trust,

\$23,009, Co-investigator. Funded, 1989.

Health Status and the Delivery of Community Services (1988), ECU Faculty Research and Creative Activity Award, \$1,879. Funded, 1988.

Types of Change: A Diagnosis of Health Education Interventions (1988). ECU Faculty Research and Creative Activity Award. Co-principal Investigator, \$2,276. Not Funded.

University of Virginia Employee Health Promotion Program and Professional Training Project (1985). Kellogg Foundation, \$1.8 million. Project Director: N. Gansneder; Program Director, Evelyn Knight. Not funded.

### **SELECTED CONSULTATIONS AND COMMUNITY SERVICE:**

Director and lead trainer, Growing Local Economies Teams Initiative, 2008-present.

Convener and facilitator, Eastern Kentucky Growing Local Economies Regional Network, 2008-present.

Planning Committee, Appalachian Cardiovascular Summit, West Virginia University, Spring, 2006.
