

UNIVERSITY OF KENTUCKY RESEARCH

Are you pregnant?

Or have you been pregnant in the last two years?

Would you like to participate in a study about birth decisions and women's knowledge of prematurity?

The March of Dimes and researchers at the University of Kentucky want to understand what women know about preterm birth and how women make birth decisions.

You will receive a \$10 gift card for participating. Childcare and snacks will be provided.

**Please call or text us at
859-940-5662 or email pregnancyky@gmail.com**
