

# Stage II or III non-small Cell Lung Cancer Research Study

Researchers at the University of Kentucky, Department of Radiation Oncology are conducting a lung cancer research study.

You may be eligible to participate in this study if:

- you are 18 years of age or older;
- have confirmed stage II or stage III non-small cell lung cancer; and
- have completed a course of chemoradiation.

Radiation Oncologist Dr. Ronald McGarry, M.D., is the investigator for this study. For further information, please call Katie Bugg at
