

Research Study of Alcohol and Cognitive Processes

Researchers at the University of Kentucky Department of Psychology are conducting a study of how alcohol interacts with cognitive processes

You may be eligible to participate if you:

- are between 21 and 35 years of age;
- are a healthy male; and
- are a social drinker.

If you are interested in learning about participating in this study, please contact Tory-Eisenlohr-Moul at 859-317-0503 or t.eisenlohr.moul@gmail.com.
