

Volunteers Needed for Pulmonary Research Studies

Dennis E. Doherty, M.D., FCCP

**Chief of Medicine, Department of Veterans Affairs Medical Center, Lexington
Professor of Medicine, Division of Pulmonary, Critical Care and Sleep Medicine
UK College of Medicine**

The faculty and staff of the University of Kentucky Academic Medical Center Division of Pulmonary, Critical Care, and Sleep Medicine are seeking volunteers for several research studies.

You may be eligible to participate if you have been diagnosed with, and are currently being treated for:

- Asthma; or
- Chronic Obstructive Pulmonary Disease (COPD),
including chronic bronchitis or emphysema; or
- Pulmonary Fibrosis

Qualified participants will receive, at no cost, study-related care, medications and, if applicable, compensation for time. To find out if you qualify for participation or to obtain additional information, please call (859) 323-6176.
