

CURRICULUM VITAE

Deborah R. Erickson, M.D.

I. Personal Information:

Address: Department of Surgery, Division of Urology
University of Kentucky College of Medicine
Chandler Medical Center, 800 Rose St, MS 275-A
Lexington, Kentucky 40536-0298

II. Education:

August 1976-May 1980 B.S., Summa cum Laude, Northern Illinois University, DeKalb, Illinois

August 1980-May 1984 M.D., Magna cum Laude, University of Missouri-Columbia School of Medicine, Columbia, Missouri

III. Professional Education:

July 1984-June 1985 Internship, General Surgery, University of Texas Health Science Center, San Antonio, Texas

July 1985-June 1990 Residency, Urology, University of Texas Health Science Center, San Antonio, Texas

July 1990-June 1991 Fellowship, Female Urology and Neurourology, University of California, Los Angeles, California

IV. Board Certification:

1993 American Board of Urology
2001 American Board of Urology, Recertified

V. Licensure:

1986-1991 Texas
1990-1991 California
1991-2004 Pennsylvania
2004-present Kentucky

Deborah R. Erickson, M.D.

VI. Hospital Privileges:

University of Kentucky Medical Center, Lexington, KY
Veteran's Affairs Medical Center, Lexington, KY

VII. Present Position:

December 2004 – present **Professor of Surgery, Department of Surgery, Division of Urology**
University of Kentucky College of Medicine
Lexington, KY

VIII. Previous Positions:

July 1990 – June 1991 **Clinical Instructor, Department of Urology**
University of California, Los Angeles
Los Angeles, CA

July 1991 – June 1997 **Assistant Professor of Surgery, Division of Urology**
Pennsylvania State University College of Medicine
Hershey, PA

July 1997 – June 2003 **Associate Professor of Surgery, Division of Urology**
Pennsylvania State University College of Medicine
Hershey, PA

July 1999 – August 2004 **Adjunct/Joint Appointment, Department of Biochemistry and Molecular Biology**
Pennsylvania State University College of Medicine
Hershey, PA

July 2003 – August 2004 **Professor of Surgery, Division of Urology**
Pennsylvania State University College of Medicine
Hershey, PA

IX. Research Experience:

See Section XVI, Research Support

X. Awards and Honors:

1976-1980 Northern Illinois University Scholar (full academic scholarship)
1979 Elected to Phi Kappa Phi

1980	University of Missouri-Columbia Curators' Scholarship
1980	Phi Kappa Phi National Graduate Study Fellowship
1981	Award for Academic Excellence in Biochemistry, University of Missouri-Columbia School of Medicine
1983	Elected to Alpha Omega Alpha
1996	Pfizer Scholars in Urology Award (inaugural award)
1996	Hershey Business and Professional Women's Club, Woman of the Year
2001	National Foundation for Continence, Outstanding Female Urologist Award (inaugural award)
2001	Nominee, Pennsylvania State University College of Medicine, Class of 2001 Clinical Teaching Award
2002	Listed in America's Top Doctors, Castle Connolly, 2002 edition.
2002	Paul Zimskind Award for Continued Excellence and Leadership in the Field of Voiding Dysfunction, Society for Urodynamics and Female Urology
2003	Faculty Humanism in Surgery Award, Department of Surgery, Pennsylvania State University College of Medicine
2003	Listed in Guide to America's Top Physicians, Consumers' Research Council of America, 2003 edition
2004	Texas Trailblazer in Urology Award (Outstanding Urology Alumnus Award, University of Texas Health Science Center at San Antonio)
2004	Listed in <i>Best Doctors in America</i> , 2003-2004 edition
2005	Outstanding Young Physician Award, University of Missouri Medical Alumni Organization
2005	Listed in <i>Best Doctors in America</i> , 2005-2006 edition
2006	Award for Excellence in Teaching Medical Students, Department of Surgery, University of Kentucky College of Medicine
2007	Urology Residents' Teaching Award for 2006-2007, Department of Surgery, Division of Urology, University of Kentucky College of Medicine
2007	Listed in <i>Best Doctors in America</i> , 2007-2008 edition
2007	Listed in Guide to America's Top Urologists, Consumer's Research Council of America, 2007 edition
2008	Award for Excellence in Resident Education, Department of Surgery, University of Kentucky College of Medicine
2009	Listed in <i>Best Doctors in America</i> , 2009 edition

XI. Professional Memberships:

1979 – present	Phi Kappa Phi
1983 – present	Alpha Omega Alpha
1991 – present	Society for Women in Urology
1991 – 2004	Hershey Surgical Society
1991 – 2004	Pennsylvania State University Faculty Organization
	Elected Counselor – 1994
	Elected Parliamentarian – 1995
	Elected Counselor – 2000

1991 – 2004	Pennsylvania State University Faculty Organization
1992 – present	Society for Urodynamics and Female Urology
1992 – 2004	Urological Association of Pennsylvania
1993 – present	American Urological Association
2003 – 2004	Samuel Hinkle Society
2005 – present	Lexington Medical Society
2005 – present	Society for Basic Urologic Research
2009 – present	International Continence Society

XII. Committees:

1993 – 1994	Planning Committee, National Institute of Diabetes, Digestive and Kidney Diseases Symposium on Women's Urological Health Research
1994 – 1995	Pennsylvania State University College of Medicine, Women's Health Center Study Group
1994 – 1996	Pennsylvania State University College of Medicine, Integrative Science Electives Task Force
1994 – 2004	Pennsylvania State University College of Medicine, Department of Surgery Research Committee
1995 – 1996	Pennsylvania State University College of Medicine, Comprehensive Surgical Care Board
1995 – 1997	Publications, Presentations and Ancillary Studies Subcommittee, National Institute of Diabetes, Digestive and Kidney Diseases Interstitial Cystitis Data Base
1995 – 1997	Patient Classification Working Group, National Institute of Diabetes, Digestive and Kidney Diseases Interstitial Cystitis Data Base
1995 – 1997	Patient Outcomes Working Group, National Institute of Diabetes, Digestive and Kidney Diseases Interstitial Cystitis Data Base
1995 – 1997	Treatments/Medications Working Group, National Institute of Diabetes, Digestive and Kidney Diseases Interstitial Cystitis Data Base
1996 – 1997	Scientific Board, University of Wisconsin-Madison Medical School, George O'Brien Research Center Proposal
1996 – 1999	Special Women's Issues in Urology Committee, American Urological Association
1996 – 2001	Pennsylvania State University College of Medicine, Alpha Omega Alpha Nominating Committee Chair, 2000-2001
1997	Planning Committee, National Institute of Diabetes, Digestive and Kidney Diseases, Research Areas in Interstitial Cystitis
1997	Co-chair, Urologic and Kidney Conditions Working Group, National Institutes of Health Workshop, Beyond Hunt Valley: Research on Women's Health for the 21st Century
1998	Pennsylvania State University College of Medicine, Task Force on Women's Health in the Curriculum
1998 – 1999	Treatment and Study Design Committee, National Institute of Diabetes, Digestive and Kidney Diseases, Interstitial Cystitis Clinical Trials Group

1998 – 1999	Pennsylvania State University College of Medicine, Committee to Revise the Constitution of the Faculty Organization
1998 – 2004	Pennsylvania State University College of Medicine, Interdisciplinary Course Committee: Cellular and Molecular Basis of Medical Practice
2001	Pennsylvania State University College of Medicine, Convocation Awards Committee
2002	Nominating Committee, Society for Urodynamics and Female Urology
2002 – 2003	Planning Committee, Interstitial Cystitis Association/National Institute of Diabetes, Digestive and Kidney Diseases Scientific Symposium on Interstitial Cystitis
2001 – 2002	Pennsylvania State University College of Medicine, Search Committee for Chair, Department of Obstetrics and Gynecology
2002 – 2004	Pennsylvania State University College of Medicine, Search Committee for Chair, Department of Pathology
2002 – 2004	Pennsylvania State University College of Medicine, Promotion and Tenure Committee, Department of Surgery
2003	Pennsylvania State University College of Medicine, Special Review Committee, Tobacco Block Grants
2003 – present	Advisory Board, National Institute of Child Health and Human Development, Pelvic Floor Disorders Network
2003 – present	Chair, Data and Safety Monitoring Board and Ancillary Studies Evaluation Committee, National Institute of Diabetes, Digestive and Kidney Diseases, Urological Pelvic Pain Collaborative Research Network
2005 – present	Department of Internal Medicine Six-Year Review Committee
2005 – present	College of Medicine, Pre-op Anesthesia Clinic Task Force
2005 – 2006	Chair, Planning Committee, Interstitial Cystitis Association/National Institute of Diabetes, Digestive and Kidney Diseases Scientific Symposium: Frontiers in Painful Bladder Syndrome and Interstitial Cystitis Research
2005 – 2006	Planning Committee, American Urological Association/Society for Basic Urologic Research Summer Research Conference: Urothelial Biology
2006 – 2007	Search Committee for Chair, Department of Surgery
2006 – present	Dean's Research Advisory Affairs Group, University of Kentucky
2007 – present	Sample Access Review Panel for the NIDDK Central Repositories, National Institute of Diabetes, Digestive and Kidney Diseases
2007 – present	External Advisory Committee, NIDDK Rand Interstitial Cystitis Epidemiology Project
2008	Search Committee for Chair, Department of Neurosurgery, University of Kentucky
2008 – 2009	Program Committee, Translational/Basic Science Program, Society for Urodynamics and Female Urology 2009 Winter Meeting
2008 – present	American Urological Association Guideline Development Panel for Interstitial Cystitis: Diagnosis and Management
2008 – present	Policy and Procedures Advisory Committee, University of Kentucky
2008 – present	Scientific Advisory Committee, NIDDK Multidisciplinary Approach to the Study of Chronic Pelvic Pain (MAPP) Research Network

Deborah R. Erickson, M.D.

- 2009 – present** Practice Plan Review Committee, Department of Surgery, University of Kentucky
- 2009 – present** Program Committee, Translational/Basic Science Program, Society for Urodynamics and Female Urology 2010 Winter Meeting
- 2009 – 2010** Nominating Committee, Society for Urodynamics and Female Urology
- 2009 – present** External Advisory Board, Neurophysiologic and Autonomic Characteristics of IC/PBS, PI Thomas Chelimsky, Case Western University

XIII. Other Significant Scholarly, Research or Administrative Experience:

Teaching Activities:

"Urodynamics: Value and Pitfalls"

Urology Conference, Hershey, Pennsylvania, September 25, 1991

"Urinary Incontinence: Approach to Evaluation and Treatment"

Current Concepts in Family Medicine, Hershey, Pennsylvania, November 5, 1991

"Evaluation and Treatment of Incontinence in Women"

Obstetrics and Gynecology Grand Rounds, Hershey, Pennsylvania, November 6, 1991

"Management of Incontinence"

Internal Medicine Consultation Conference, Hershey, Pennsylvania, December 4, 1991

"Evaluation and Treatment of Female Incontinence"

Urology Conference, Hershey, Pennsylvania, January 8, 1992

"Vesicovaginal Fistula"

Surgery Grand Rounds, Hershey, Pennsylvania, January 22, 1992

"Evaluation and Treatment of Incontinence in Women"

Geisinger Medical Center, Danville, Pennsylvania, March 3, 1992

"Urinary Tract Pathophysiology"

Pennsylvania State University College of Medicine

Pathology Course, March 24, 1992

"Vaginal Surgery for the Urologist"

American Urological Association, Washington, D.C., May 11, 1992

"Urinary Incontinence: Approach to Evaluation and Treatment"

Mercy Hospital Continuing Medical Education, Wilkes-Barre, Pennsylvania, January 8, 1993

Deborah R. Erickson, M.D.

Developed Urogynecology elective for senior medical students
Interdisciplinary course with Divisions of Urology and Gynecology
Pennsylvania State University College of Medicine, 1993

"Lower Urinary Tract Function after Spinal Cord Injury"
Surgery Grand Rounds, Hershey, Pennsylvania, January 13, 1993

"Interstitial Cystitis"
Urology Conference, Hershey, Pennsylvania, April 14, 1993

"Urologic Aspects of Neurologic Disease"
Neurosurgery Seminar Series, Hershey, Pennsylvania, April 28, 1993

"Vaginal Surgery for the Urologist"
American Urological Association, San Antonio, Texas, May 17, 1993

"Application of New Technologies to the Treatment of Urinary Incontinence"
Urological Association of Pennsylvania/Maryland Urologic Association, Baltimore, Maryland,
June 12, 1993

"Urinary Tract Infections in Females"
Carlisle Hospital Continuing Medical Education, Carlisle, Pennsylvania, October 1, 1993

"Anterior and Posterior Repair"
Urology Conference, Hershey, Pennsylvania, October 6, 1993

"Vaginal Surgery for the Urologist"
Urodynamic Club of Quebec, Montreal, Quebec, Canada, November 25, 1993

"Urodynamics: A Review and What is New"
Urology Conference, Hershey, Pennsylvania, January 5, 1994

"Urologic Aspects of Neurologic Disease"
Neurosurgery Seminar Series, Hershey, Pennsylvania, February 2, 1994

"Women's Urologic Issues"
Pennsylvania State's Hershey Medical Center Seminar Series, May 25, 1994

"Urinary Incontinence: A Practice Approach for Primary Care Physicians"
Carlisle Hospital Continuing Medical Education, Carlisle, Pennsylvania, September 16, 1994

"Testis and Prostate Cancers"
Pennsylvania State University Cancer Education and Awareness Program for Nurses, Hershey,
Pennsylvania, September 26, 1994

Deborah R. Erickson, M.D.

"Urinary Incontinence Update"

University of Missouri Medical Alumni Organization and Continuing Medical Education,
Columbia, Missouri, October 7, 1994

"Urologic Aspects of Neurologic Disease"

Neurosurgery Seminar Series, Hershey, Pennsylvania, November 30, 1994

"Urinary Incontinence Update"

Current Concepts in Family Medicine, Hershey, Pennsylvania, May 16, 1995

"Vesicovaginal Fistula"

York Hospital Obstetrics and Gynecology Grand Rounds, York, Pennsylvania, August 23, 1995

"Update on Female Incontinence"

Urology Conference, Hershey, Pennsylvania, October 11, 1995

"Update on Treatments for Urinary Incontinence"

Surgery Grand Rounds, Hershey, Pennsylvania, November 22, 1995

"Interstitial Cystitis"

Urology Conference, Hershey, Pennsylvania, January 10, 1996

"Voiding Dysfunction Associated with Neurologic and Medical Diseases"

Urology Conference, Hershey, Pennsylvania, March 27, 1996

"Septic Shock"

American Urological Association Section Seminar, Philadelphia, Pennsylvania, March 29, 1996

"Update on Treatments for Urinary Incontinence"

Women's Health Care Conference, Pennsylvania State University Continuing Education,
Hershey, Pennsylvania, October 16, 1996

"Incontinence Update"

Internal Medicine Consultation Conference, Hershey, Pennsylvania, October 16, 1996

"Statistics: What is Significant?"

Urology Conference, Hershey, Pennsylvania, November 27, 1996

"Interstitial Cystitis: Research Advances and Clinical Pearls"

Internal Medicine Consultation Conference, Hershey, Pennsylvania, December 11, 1996

Update and revisions of three cases for case-based learning
Reproduction, Development and Renal Interdisciplinary Course
Pennsylvania State University College of Medicine, January 1997

Deborah R. Erickson, M.D.

“Statistical Testing: Why we do it and What it Means
Surgery Grand Rounds, Hershey, Pennsylvania, February 13, 1997

“Neuro-Urology”
Neurosurgery Seminar Series, Hershey, Pennsylvania, March 27, 1997

“Hope and Help for Incontinence”
Pennsylvania State University Continuing Education: “Women’s Health: Ages and Stages”
Harrisburg, Pennsylvania, April 5, 1997

“Genitourinary Problems in Primary Care”
Pennsylvania State University School of Nursing, Hershey, Pennsylvania, April 9, 1997

“Office Urogynecology”
American Urological Association Postgraduate Course, New Orleans, Louisiana, April 13, 1997

“Incontinence and Outpatient Urology”
Altoona Hospital Continuing Medical Education, Altoona, Pennsylvania, May 1, 1997

“Interstitial Cystitis”
Pennsylvania State University Continuing Education: “Current Concepts in Family Medicine”
Hershey, Pennsylvania, October 7, 1997

“Urodynamics: Tests, Inhibitors and Pitfalls”
Urology Conference, Hershey, Pennsylvania, October 15, 1997

“Evaluation of the Painful Bladder”
15th Annual Houston Everett Memorial Course in Urogynecology, Johns Hopkins Medical
Institutions, Baltimore, Maryland, February 27, 1998

“Management of Complications of Incontinence Surgery”
15th Annual Houston Everett Memorial Course in Urogynecology, Johns Hopkins Medical
Institutions, Baltimore, Maryland, February 28, 1998

“Statistics Review”
Urology Conference, Hershey, Pennsylvania, May 13, 1998

“Office Urogynecology”
American Urological Association Postgraduate Course, San Diego, California, June 2, 1998

“Interstitial Cystitis”
Hershey Medical Center Continuing Medical Education, Hershey, Pennsylvania, June 25, 1998

“Interstitial Cystitis”
Urology Grand Rounds, Wayne State University School Of Medicine
Detroit, Michigan, September 25, 1998

Deborah R. Erickson, M.D.

“Female Incontinence and Overactive Bladder”

Medical Grand Rounds, Hershey, Pennsylvania, December 8, 1998

“Irritative Bladder Symptoms”

Obstetrics and Gynecology Grand Rounds, Hershey, Pennsylvania, January 7, 1999

“Evaluation and Treatment of Incontinence: Primary Care Approach”

Internal Medicine Resident Conference, Hershey, Pennsylvania, January 14, 1999

“Lower Urinary Tract Pathophysiology”

Pennsylvania State University College of Medicine

Reproduction, Development and Renal Course, April 1, 1999

“Septic Shock”

Basic Concepts in Urology Lecture Series, Philadelphia, Pennsylvania, April 3, 1999

“Interstitial Cystitis: Bladder Permeability and Intravesical Treatments”

Society for Urodynamics and Female Urology, Dallas, Texas, May 1, 1999

“Office Urogynecology”

American Urological Association Postgraduate Course, Dallas, Texas, May 3, 1999

“Neurogenic Bladder”

Neurosurgery Seminar Series, Hershey, Pennsylvania, September 2, 1999

“Urologic Issues in Pelvic Floor Pathology”

American College of Surgeons Clinical Congress, San Francisco, California, October 12, 1999

“Interstitial Cystitis: Diagnosis and Treatment”

Hershey Medical Center Nursing Education Series, Hershey, Pennsylvania, October 21, 1999

“Interstitial Cystitis Research: A Continuing Journey”

Pennsylvania State University College of Medicine, Elements of Clinical Research Course, Hershey, Pennsylvania, December 9, 1999

“Renal Masses, Benign Prostatic Hyperplasia and Obstruction”

Basic and Clinical Science Series for General Surgery Residents, Hershey, Pennsylvania, December 14, 1999

“Incontinence Update”

Current Concepts in Family Medicine, Hershey, Pennsylvania, March 7, 2000

“Urethritis and Interstitial Cystitis, Septic Shock, and Sexually Transmitted Diseases”

American Urological Association Annual Review Course, Dallas, Texas, March 10, 2000

Deborah R. Erickson, M.D.

“Lower Urinary Tract Pathophysiology”
Pennsylvania State University College of Medicine
Reproduction, Development and Renal Course, March 28, 2000.

“Office Female Urology”
American Urological Association Postgraduate Course, Atlanta, Georgia, May 1, 2000

“Highlights: Voiding Dysfunction/Incontinence”
American Urological Association, Atlanta, Georgia, May 3, 2000

“Basics of Female Urology, Physiology and Urodynamics”
Obstetrics and Gynecology Grand Rounds, Hershey, Pennsylvania, May 18, 2000

Facilitator, Case-based Learning, Pennsylvania State University College of Medicine
Hershey, Pennsylvania, November 17, 20, 22, 2000

“Interstitial Cystitis Research: A Continuing Journey”
Pennsylvania State University College of Medicine, Elements of Clinical Research Course,
Hershey, Pennsylvania, November 21, 2000

“Incontinence Update”
Internal Medicine Resident Conference, Hershey, Pennsylvania, November 30, 2000

“Interstitial Cystitis”
Medical Society of Delaware, Newark, Delaware, January 26, 2001

“Urethritis and Interstitial Cystitis, Septic Shock, and Sexually Transmitted Diseases”
American Urological Association Annual Review Course, Chicago, Illinois, March 23, 2001

“Lower Urinary Tract Pathophysiology”
Pennsylvania State University College of Medicine
Renal, Reproduction and Development Course, Hershey, Pennsylvania, April 5, 2001.

“Urethritis and Interstitial Cystitis, Septic Shock, and Sexually Transmitted Diseases”
Society of Urologic Nurses and Associates, Hershey, Pennsylvania, May 15, 2001

“Incontinence”
Internal Medicine Clinical Conference, Hershey, Pennsylvania, May 21, 2001

“Office Female Urology”
American Urological Association Postgraduate Course, Anaheim, California, June 3, 2001

“Anterior and Posterior Repair”
Penn State University Nursing Education and Professional Development, Women’s Health Update
Hershey, Pennsylvania, October 5, 2001

Deborah R. Erickson, M.D.

“Lower Urinary Tract Pathophysiology”

Pennsylvania State University College of Medicine

Renal, Reproduction and Development Course, Hershey, Pennsylvania, October 23, 2001

“Urethritis and Interstitial Cystitis, Septic Shock, and Sexually Transmitted Diseases”

American Urological Association Annual Review Course, Chicago, Illinois, March 23, 2002

Facilitator, Case-based Learning, Pennsylvania State University College of Medicine, Hershey, Pennsylvania, April 4, 9, 11, 16, 2002

“Interstitial Cystitis Research: A Continuing Journey”

Pennsylvania State University College of Medicine, Elements of Clinical Research Course, Hershey, Pennsylvania, April 16, 2002

“Evaluation and Treatment of Urge Incontinence”

Pennsylvania State University Continuing Education: “Women’s Health: Ages and Stages” Harrisburg, Pennsylvania, May 9, 2002

“Office Female Urology”

American Urological Association Postgraduate Course, Orlando, Florida, May 27, 2002

“Take-Home Messages: Female Urology and Incontinence”

American Urological Association Annual Meeting, Orlando, Florida, May 30, 2002

Facilitator, First year Medical Student, Patient Communications Course

Pennsylvania State University College of Medicine, Hershey, Pennsylvania, August 22, 2002

“Evaluation and Treatment of Urge Incontinence”

Obstetrics and Gynecology Grand Rounds

Hershey, Pennsylvania, September 25, 2002

“Lower Urinary Tract Pathophysiology”

Pennsylvania State University College of Medicine

Renal Medicine Course, Hershey, Pennsylvania, October 24, 2002

“Diagnostic Dilemmas in Interstitial Cystitis”

University of Pennsylvania Urology Grand Rounds, November 14, 2002

“Septic Shock”

Basic Concepts in Urology Lecture Series, Philadelphia, Pennsylvania, December 21, 2002

“Interstitial Cystitis Research: A Continuing Journey”

Pennsylvania State University College of Medicine, Elements of Clinical Research Course, Hershey, Pennsylvania, February 28, 2003

Deborah R. Erickson, M.D.

Facilitator, Case-based Learning
Pennsylvania State University College of Medicine, Hershey, Pennsylvania
April 3, 8, 10, 15, 2003

“Office Female Urology”
American Urological Association Postgraduate Course, Chicago, Illinois, April 30, 2003

“Urethritis and Interstitial Cystitis, Septic Shock, and Sexually Transmitted Diseases”
American Urological Association Annual Review Course, Chicago, Illinois, May 30, 2003

“Bacterial Cystitis, Pyelonephritis and Urosepsis”
Pennsylvania State University College of Medicine
Renal Medicine Course, Hershey, Pennsylvania, November 4, 2003

“Lower Urinary Tract Pathophysiology”
Pennsylvania State University College of Medicine
Renal Medicine Course, Hershey, Pennsylvania, November 6, 2003

“Interstitial Cystitis Research: A Continuing Journey”
Pennsylvania State University College of Medicine, Elements of Clinical Research Course,
Hershey, Pennsylvania, November 13, 2003

“Bacterial Cystitis, Pyelonephritis and Urosepsis”
Pennsylvania State University College of Medicine, Nephrology Didactic Conference
Hershey, Pennsylvania, March 4, 2004

“Diagnostic Dilemmas in Interstitial Cystitis”
University of Kentucky Urology Grand Rounds, March 9, 2004

Facilitator, Case-based Learning, Pennsylvania State University College of Medicine
Hershey, Pennsylvania, April 1, 8, 13, 15, 2004

“Urinary Tract Infections and Sexually Transmitted Diseases”
Pennsylvania State University College of Medicine, Surgery Didactic Conference
Hershey, Pennsylvania, April 20, 2004

“Interstitial Cystitis, Chronic Pelvic Pain, Female Urinary Incontinence Work Up and Treatment”
American Urological Association Postgraduate Course, San Francisco, California, May 11, 2004
Course Co-director

“Estrogens and the Aging Genitourinary Tract”
Geriatrics Grand Rounds
Hershey, Pennsylvania, May 21, 2004

“Urethritis and Interstitial Cystitis, Septic Shock, and Sexually Transmitted Diseases”
American Urological Association Annual Review Course, Dallas, Texas, June 18, 2004

Deborah R. Erickson, M.D.

“Estrogens and the Aging Genitourinary Tract”

Internal Medicine Resident Conference

Hershey, Pennsylvania, June 24, 2004

“Treatments for Interstitial Cystitis: Past, Present, Future”

Society for Urodynamics and Female Urology, Orlando, Florida, February 24, 2005

“Female Urology: The Evaluation and Treatment of Incontinence and Interstitial Cystitis”

American Urological Association Postgraduate Course, San Antonio, Texas, May 22, 2005

“Urethritis and Interstitial Cystitis, Sexually Transmitted Diseases and Urinary Tract Infections”

American Urological Association Annual Review Course, Dallas, Texas, June 10, 2005

“Bladder Epithelium in Interstitial Cystitis”

University of Kentucky College of Medicine, Department of Surgery Research Symposium

Lexington, Kentucky, September 28, 2005

“Drug Therapy for Incontinence – What’s New”

New Techniques in Urinary Incontinence and Female Urology, Washington University School of Medicine Continuing Education, St. Louis, Missouri, October 29, 2005

“What’s New in the Treatment of Urinary Incontinence?”

University of Kentucky College of Medicine, Department of Surgery Grand Rounds

Lexington, Kentucky, January 11, 2006

“Update on Treatments for Urinary Incontinence”

University of Kentucky College of Medicine, Women’s Health Grand Rounds

Lexington, Kentucky, June 26, 2006

“Neurogenic Bladder”

University of Kentucky College of Medicine, Neurology Grand Rounds

Lexington, Kentucky, September 18, 2007

“Interstitial Cystitis: Where we Were, Where we Are and Where we Need to Go”

University of Kentucky College of Medicine, Department of Surgery Research Symposium

Lexington, Kentucky, October 16, 2007

“Incontinence Surgery”

Society of Urologic Nurses and Associates

Lexington, Kentucky, November 13, 2007

“Urinary Incontinence in the Elderly”

University of Kentucky College of Medicine, Surgery Grand Rounds

Lexington, Kentucky, February 6, 2008

Deborah R. Erickson, M.D.

“Interstitial Cystitis”

Center for Advancement of Women’s Health Ground Rounds
Lexington, Kentucky, March 25, 2008

Preceptor for two MSI students for MD 815: Patient Centered Medicine/Patients,
Physicians and Society. Longitudinal Clinical Experience. Students: Henry Holt, Matthew
McRoberts, weekly clinic from November 2007 to May 2008

Preceptor for Katie McKinney, PGY-3 in Internal Medicine, weekly clinic in December 2007 and
May 2008

“Incontinence in the Elderly”

University of Kentucky College of Medicine 39th Annual Family Medicine Review
Lexington, Kentucky, May 15, 2008

Study Section Activities:

1994, 2002	Ad hoc reviewer, National Institutes of Health, Division of Research Grants, Small Business Initiative
1997 – 2001	Member, National Institute of Diabetes, Digestive and Kidney Diseases, Urology Special Emphasis Panel
2001	Ad hoc reviewer, National Institute of Diabetes, Digestive and Kidney Diseases, Special Review Committee for RFA DK01-108, Urinary Incontinence Treatment Network
2001	Ad hoc reviewer, National Institutes of Health, Respiratory and Applied Physiology Study Section
2002	Ad hoc reviewer, National Institutes of Health, Nephrology/Urology SBIR Study Section
2002	Ad hoc reviewer, National Institute of Diabetes, Digestive and Kidney Diseases, Urology Special Emphasis Panel
2003	Ad hoc reviewer, National Institute of Diabetes, Digestive and Kidney Diseases, Mid-Course Administrative Review of the Boston Area Community Health (BACH) Epidemiologic Survey of Urological Conditions – coverage of Interstitial Cystitis (IC) and Chronic Pelvic Pain
2007	Ad hoc reviewer, National Institutes of Health, Cell & Molecular Biology of the Kidney Study Section
2008	Ad hoc reviewer, National Institutes of Diabetes, Digestive and Kidney Diseases, Urology Special Emphasis Panel
2009	Ad hoc reviewer, National Institute of Diabetes, Digestive and Kidney Diseases, Challenge Grant proposals

Consulting Activities:

1990 – 1992	Agency for Health Care Policy and Research Guideline Development Panel for Urinary Incontinence in Adults
1993	Health America of Central Pennsylvania, Harrisburg, Pennsylvania

Deborah R. Erickson, M.D.

1993 – 1995 Rodale Press, Emmaus, Pennsylvania
1993 – present Information Office,
National Institute of Arthritis, Diabetes, Digestive and Kidney Diseases
2005 Interstitial Cystitis Case Definition Panel, RAND Corporation, Santa
Monica, California
2008 Trillium Therapeutics, Toronto, Ontario, Canada
2008 – present Agency for Healthcare Research and Quality: Quality Indicator Validation
Project
2009 NeurAxon, Toronto, Ontario, Canada

Reviewing Activities:

(Other than journals, for journals see section XV)

1998 Reviewer, 1999 American Urological Association Convention Program,
Abstract Categories: Urodynamics/Incontinence/Female Urology
1999 Reviewer, 2000 American Urological Association Convention Program,
Abstract Categories: Urodynamics/Incontinence/Female Urology
1999 Reviewer, Society for Urodynamics and Female Urology 2000 Meeting
2000 Reviewer, 2001 American Urological Association Convention Program,
Abstract Categories: Urodynamics/Incontinence Evaluation/Female Urology
2000 Reviewer, Interstitial Cystitis Association Pilot Research Program
2000 Reviewer, Interstitial Cystitis Association, Fishbein Foundation
2002 Ad hoc reviewer, American Foundation for Urologic Disease
2005 – 2007 Guest Editor, Urologic Clinics of North America, Urologic Issues and
Pregnancy, February 2007.
2006 Reviewer, Society for Urodynamics and Female Urology 2007 Meeting
2006 Reviewer, 2007 American Urological Association Convention Program,
Abstract Categories: Interstitial Cystitis/Female Urology
2007 Reviewer, Society for Urodynamics and Female Urology, 2008 Meeting
2007 Reviewer, 2008 American Urological Association Convention Program,
Abstract Categories: Interstitial Cystitis/Female Urology
2008 Pathophysiology and Evaluation of Incontinence, Prolapse and Voiding
Dysfunction, AUA Course on Female Urology and Voiding Dysfunction
2008 Reviewer, 2009 American Urological Association Convention Program,
Abstract Categories: Interstitial Cystitis/Female Urology

Sessions Moderated:

1995 Podium Session, 1995 IC Research Symposium
National Institute of Diabetes, Digestive and Kidney Diseases
1996 Scientific Section III: Urologic Cancer Research, Renal Cancer Surgery,
Neurogenic Bladder and Interstitial Cystitis
American Urological Association, Mid-Atlantic Section Annual Meeting
1997 Session IV: Clinical Oral Presentations,
Society for Urodynamics and Female Urology Annual Meeting

Deborah R. Erickson, M.D.

- 1999** Poster Session 8: Female Urology (I),
American Urological Association Annual Meeting
- 1999** Podium Session: Immunology, Inflammation and Infection
National Institute of Diabetes, Digestive and Kidney Diseases and
National Bladder Foundation International Bladder Symposium
- 2000** Podium Session: Evaluating Outcomes of Incontinence Surgery
Society for Urodynamics and Female Urology Annual Meeting
- 2001** Poster Session 8: Female Urology (I),
American Urological Association Annual Meeting
- 2003** Poster Session: Interstitial Cystitis
American Urological Association Annual Meeting
- 2003** Session IV: Insights Into Urothelial Function
Research Insights Into Interstitial Cystitis:
A Clinical and Basic Science Symposium (sponsored by NIDDK and ICA)
- 2006** Conservative, Pharmacological and Minimally-Invasive Treatment of
Incontinence and Prolapse,
American Urological Association Course on Female Urology and Voiding
Dysfunction
- 2007** Podium Session: Voiding Dysfunction/Neurology
American Urological Association Southeastern Section Annual Meeting
- 2007** Podium Session: Infections/Inflammation of the Genitourinary Tract:
Kidney & Bladder (II). American Urological Association Annual Meeting
- 2008** Panel discussion: Urothelium – Translational Research on Interstitial Cystitis
Society for Urodynamics and Female Urology 2008 Winter Meeting
- 2008** Podium Session: Incontinence: Evaluation & Therapy (I)
American Urological Association Annual Meeting

Clinical Grants:

University Physicians Practice Site Grant

D.R. Erickson, Department of Surgery and R.C. Pees, Department of Obstetrics and Gynecology
"Biofeedback Therapy for Female Urinary Incontinence," August 1995 \$22,900

XIV. Editorial Boards:

- 2003 – present** Editorial Board, Neurourology and Urodynamics
- 2004 – 2007** Assistant Editor, The Journal of Urology
- 2005 – 2007** Guest Editor, Urologic Clinics of North America,
Urologic Issues and Pregnancy, February 2007
- 2008 – present** Associate Editor, The Journal of Urology
- 2008 – present** Ad hoc Reviewer, Expert Opinion on Pharmacology
- 2008 – present** Honorary Editorial Board, Open Access Journal of Urology

XV. Editorial Consultant/Reviewer:

1993 – present	Ad hoc reviewer, The Journal of Urology
1993 – present	Ad hoc reviewer, Urology
1999	Ad hoc reviewer, The American Journal of Physiology
2001 – 2003	Ad hoc reviewer, Neurourology and Urodynamics
2003 – present	Ad hoc reviewer, BJU International
2003	Ad hoc reviewer, Expert Opinion on Pharmacotherapy
2003	Ad hoc reviewer, Journal of Surgical Research
2007 – present	Ad hoc reviewer, Archives of Internal Medicine
2009 – present	Ad hoc reviewer, International Journal of Immunopathology and Pharmacology

XVI. Research Support:

Active:

Interstitial Cystitis Association

“Noninvasive Test of Bladder Epithelium in Interstitial Cystitis”

5/08-5/09 Direct cost \$18,760

Completed:

NIH Biomedical Research Support Grant

S07 RR05654-19, Subgrant #21

"Biochemical Differentiation of Benign Prostatic Hyperplasia from Prostatic Adenocarcinoma"

3/87-3/88 \$5,750

Pennsylvania State University Research Initiation Grant

"Mechanism of Altered Adrenergic Response in Chronic Bladder Obstruction"

7/92-6/93 \$9,632

Kidney Foundation of Central Pennsylvania

"HLA Antigens in Patients with Interstitial Cystitis"

6/93-9/94 \$2,000

Interstitial Cystitis Association

"Urinary Inflammatory Mediators in Interstitial Cystitis"

12/93-11/95 \$9,950

Kidney Foundation of Central Pennsylvania

"Molecular Mechanisms of Bacterial Uropathogenesis"

10/94-12/95 \$2,500

Deborah R. Erickson, M.D.

NIDDK R01 DK-93-19
Co-Investigator 5% effort
"Role of Glycoconjugates in Bladder Disorders of Women"
5/94-4/97 Direct Cost \$353,758

NIDDK, PHS 1U01 DK 45859-01
Co-Investigator 5% effort
"Data Coordinating Center for Interstitial Cystitis Data Base"
9/92-7/98 Direct Cost \$1,268,067

NIDDK, PHS DK-97-011
Co-investigator 10% effort
"Interstitial Cystitis Clinical Trials Group Data Coordinating Center"
3/98-2/99 Direct cost \$3,002,516

NIDDK R01 DK-95-007
Principal Investigator 25% effort
"Role of Intravesical Pressure in Bladder Development"
10/96-90/99 Direct cost \$100, 000
This grant was funded through a Shannon award from the National Institutes of Health

Interstitial Cystitis Association
Principal Investigator
"Urinary Markers of Interstitial Cystitis"
7/98-7/99 Direct cost \$29,490

NIDDK R29 DK-57266
Co-Investigator 5% effort
"Innovative Intravesical Treatment Approach for Interstitial Cystitis"
9/99-9/02 Direct cost \$224,895

NIDDK R01 DK-57281
Principal Investigator 20% effort
"Urine and Bladder Markers of Interstitial Cystitis"
9/99-9/06 Direct cost \$850,000, 9/99-9/06

Pennsylvania State University College of Medicine Dean's Feasibility Grant
Co-Investigator 5% effort
"Urinary Tract Infections and Cancers: Involvement of Meprin Metalloproteinases"
6/03-6/04 Direct Cost \$30,000

University of Kentucky Microarray Pilot Program
"Alterations in Bladder Epithelial Gene Expression in Interstitial Cystitis"
6/06-12/06 Direct cost \$5,000

Deborah R. Erickson, M.D.

University of Kentucky Surgery Department Research Grant
“Innovative Markers to Evaluate Bladder Epithelium in Interstitial Cystitis”
5/07-5/08 Direct cost \$31,000

XVII. Patents:

Not applicable

XVIII. Research Fellows, Graduate Students and Postdoctoral Fellows:

1995	Angela Martin, MS I Urine Glycosaminoglycans in Interstitial Cystitis
1996	Peter Tucker, M.D. Urinary and Bladder Epitectin in Interstitial Cystitis
1997	Geoffrey Bisignani, M.D. Investigation of Bladder Epithelial Development
1997	Nika Harmon, MS I Development of a Direct Bladder Permeability Test
1999 – 2000	Kelly Morgan, MS III Non-Bladder Related Symptoms in Interstitial Cystitis
2003 – 2004	Graduate Student Committee, Heather Kenney Basehore, Department of Biochemistry and Molecular Biology

XIX. Visiting Professorships:

"Interstitial Cystitis: Research Advances and Clinical Pearls"
George Washington University Medical Center, Visiting Professor, Washington, D.C., November 8, 1995

“Interstitial Cystitis Research: History and Update”
University of Wisconsin-Madison Medical School, Visiting Professor, November 18, 1996

“Evaluation and Treatment of Incontinence”
Thomas Jefferson University Urology Visiting Professor, Philadelphia, Pennsylvania,
February 18, 1999

XX. Invited Lectureships:

"Bladder Neck Suspension for Anatomic Stress Incontinence"
UCLA State of the Art Conference, Los Angeles, California, February 8, 1991

Deborah R. Erickson, M.D.

"Women's Urologic Health"

Harrisburg Area Community College Women's Conference, Harrisburg, Pennsylvania, October 23, 1993

"Geriatric Urinary Incontinence"

Geriatric Interest Group Seminar, Hershey, Pennsylvania, March 16, 1995

"Bladder Management after Cerebrovascular Accident"

Adult Rehabilitation Service Seminar, Hershey, Pennsylvania, July 10, 1995

"Interstitial Cystitis: Untangling the Web"

Surgery Research Conference, Hershey, Pennsylvania, September 27, 1995

"Role of Glycoconjugates in Interstitial Cystitis"

Surgery Research Conference, Hershey, Pennsylvania, February 27, 1996

"Testis and Prostate Cancers"

Central Pennsylvania Oncology Group Seminar, Hershey, Pennsylvania, December 4, 1996

"Urine and Bladder Epitactin in Interstitial Cystitis"

Surgery Research Conference, Hershey, Pennsylvania, January 7, 1997

"Interstitial Cystitis: Exploring the Frontier"

Phi Kappa Phi Centennial Celebration, New Orleans, Louisiana, August 1, 1997

"Treatment of Female Stress Incontinence"

Panel Discussion, American Urologic Association, Mid-Atlantic Section Annual Meeting Hot Springs, Virginia, September 30, 1997

"Inflammatory Cell Types and Clinical Features of Interstitial Cystitis"

Surgery Research Conference, Hershey, Pennsylvania, November 26, 1997

"Pelvic Floor Re-education in Treatment of Incontinence"

Department of Physical Therapy, Penn State Geisinger Health System, Hershey, Pennsylvania, December 4, 1997

"Interstitial Cystitis: Research and Treatment"

Society of Urologic Nurses and Associates, Hershey, Pennsylvania, January 20, 1998

"Interstitial Cystitis"

Interstitial Cystitis Association, Reading, Pennsylvania, June 10, 1998

"Interstitial Cystitis: Update on Therapeutic Options"

Journal of Women's Health and Society for the Advancement of Women's Health Research Sixth Annual Congress on Women's Health, Washington, D.C., June 22, 1998

Deborah R. Erickson, M.D.

“Vesicovaginal Fistula”

Society of Urologic Nurses and Associates, Hershey, Pennsylvania, November 17, 1998

“Current Interstitial Cystitis Research”

Interstitial Cystitis Association Regional IC Forum, Hershey, Pennsylvania, September 25, 1999

“Interstitial Cystitis Research”

University of Pennsylvania Urology Research Seminar, Philadelphia, Pennsylvania, Feb. 21, 2000

“Markers for Interstitial Cystitis”

Plenary Session, Interstitial Cystitis Association Tenth Annual Meeting,

Minneapolis, Minnesota, October 21, 2000

“Bladder Permeability and Interstitial Cystitis”

Biochemistry and Molecular Biology Seminar Series, Hershey, Pennsylvania, June 11, 2001

“Urologic Problems of Middle-Aged and Elderly Men”

Derry Presbyterian Church, Hershey, Pennsylvania, January 21, 2003

“Urologic Problems in Young Women”

Pennsylvania State University, State College, Pennsylvania, April 17, 2003

“Possible Causes of Interstitial Cystitis”

Interstitial Cystitis Association National Meeting, Alexandria, Virginia, November 1, 2003

“Sacral Nerve Stimulation”

Hershey Medical Center Nursing Education and Professional Development

Hershey, Pennsylvania, February 23, 2004.

“Interstitial Cystitis: Recent Insights and Management”

Society for Basic Urologic Research Annual Meeting, San Francisco, California, May 8, 2004

“New Concepts in Diagnosis and Management of Interstitial Cystitis”

American Urological Association Annual Meeting, San Antonio, Texas, May 23, 2005

“Bladder Epithelium in Interstitial Cystitis”

University of Kentucky College of Medicine, Department of Surgery Research Symposium

Lexington, Kentucky, September 28, 2005

“Drug Therapy for Incontinence – What’s New”

New Techniques in Urinary Incontinence and Female Urology, Washington University School of
Medicine Continuing Education, St. Louis, Missouri, October 29, 2005

“Urine Markers of Interstitial Cystitis”

Society for Basic Urologic Research Annual Symposium, Miami, Florida, December 2, 2005

Deborah R. Erickson, M.D.

“Straight Talk” on Urinary Incontinence

Pennsylvania State University Continuing Education: “Women’s Health: Ages and Stages”
Hershey, Pennsylvania, April 26, 2006

“Treatment of Female Overactive Bladder and Painful Bladder Syndrome”

American Urological Association Instructional Course, Atlanta, Georgia, May 24, 2006

“Urethritis and Interstitial Cystitis, Sexually Transmitted Diseases and Urinary Tract Infections”

American Urological Association Annual Review Course, Dallas, Texas, July 23, 2006

“Drug Therapy for Incontinence – What’s New”

New Techniques in Urinary Incontinence and Female Urology, Washington University School of
Medicine Continuing Education, St. Louis, Missouri, October 7, 2006.

“Pathophysiology of Pelvic Prolapse and Stress Incontinence”

American Urological Association Course on Female Urology and Voiding Dysfunction,
Philadelphia, Pennsylvania, October 20, 2006

“Retropubic Suspensions and Other Operations”

American Urological Association Course on Female Urology and Voiding Dysfunction,
Philadelphia, Pennsylvania, October 21, 2006

“Interstitial Cystitis: Diagnosis and Management in 2006”

American Urological Association Course on Female Urology and Voiding Dysfunction,
Philadelphia, Pennsylvania, October 22, 2006

“Highlights of the AUA Summer Research Meeting”

Society for Urodynamics and Female Urology, San Diego, California, February 24, 2007

“Interstitial Cystitis, Sexually Transmitted Diseases and Urinary Tract Infections”

American Urological Association Annual Review Course, Dallas, Texas, June 24, 2007

“What Will be the Clinical Evaluation and Therapy of IC/PBS in 2013?”

American Urological Association Course on Female Urology: Controversies and Consensus.
Orlando, Florida, May 19, 2008

“Interstitial Cystitis and Sexually Transmitted Diseases”

American Urological Association Annual Review Course, Dallas, Texas, June 8, 2008

Drug Therapy for Incontinence – What’s New?”

New Techniques in Urinary Incontinence and Female Urology, Washington University School of
Medicine Continuing Medical Education, St. Louis, Missouri, October 4, 2008

“Pathophysiology of Pelvic Prolapse and Stress Incontinence”

American Urological Association Course on Female Urology and Voiding Dysfunction, New
Orleans, Louisiana, October 17, 2008

Deborah R. Erickson, M.D.

“Evaluation and Classification of Overactive Bladder”

American Urological Association Course on Female Urology and Voiding Dysfunction, New Orleans, Louisiana, October 17, 2008

“Evaluation and Classification of Painful Bladder Syndrome and Interstitial Cystitis”

American Urological Association Course on Female Urology and Voiding Dysfunction, New Orleans, Louisiana, October 18, 2008

“Update in the Diagnosis and Treatment of Interstitial Cystitis and Bladder Pain Syndrome”

Surgical, Pharmacological and Technological Advances in Adult and Pediatric Urology, New York University School of Medicine Continuing Medical Education, New York, New York, December 4, 2008

“Urothelium in Interstitial Cystitis/Painful Bladder Syndrome”

Urothelial Biology Seminar, New York University
New York, New York, December 5, 2008

Lunch with the Experts: Interstitial Cystitis, Female Urology, Incontinence

American Urological Association Annual Meeting, Chicago, Illinois, April 26, 2009

“Quercetin Added to Usual Care for Painful Bladder Syndrome/Interstitial Cystitis”

University of Kentucky College of Medicine, Department of Surgery Research Symposium
Lexington, Kentucky, May 19, 2009

“Neurourology”

University of Kentucky College of Medicine, Neurology Conference
Lexington, Kentucky, June 2, 2009

“Interstitial Cystitis and Sexually Transmitted Diseases”

American Urological Association Annual Review Course, Dallas, Texas, July 11, 2009

“Evaluation and Treatment of Interstitial Cystitis”

Lexington OB/GYN Society
Lexington, Kentucky, July 14, 2009
