Dear colleague,

On behalf of Norton Healthcare, the University of Louisville and the University of Kentucky, it is our privilege to invite you to participate in the 2013 Kentucky Statewide Trauma and Emergency Medicine Symposium. Now in its eighth year in joint sponsorship, this event provides an exciting opportunity for health care professionals seeking innovative approaches to trauma and emergency care. The program will cover clinical management of the trauma patient, including prehospital care, resuscitation, acute care and general practice issues.

Target audience

This program is directed toward physicians, nurses, nurse practitioners, physician assistants, EMT/EMT-Ps, respiratory therapists, radiology technicians, trauma registrars and other allied health care professionals caring for trauma, emergency and critical care patients.

Disclosure policy

Norton Healthcare adheres to the Kentucky Medical Association Essential Areas and Policies, including the Standards for Commercial Support, regarding industry support of continuing medical education (CME). During the planning process, all individuals in a position to control the content of this educational activity (course director, planners, presenters) must disclose all relevant financial relationships they have with commercial interests as well as the nature of the relationship that may be a potential conflict of interest. These are assessed by the Norton Healthcare Office of CME to ensure adequate resolution of any identified conflicts prior to the activity. Disclosure of faculty and commercial relationships, as well as the discussion of unlabeled or unapproved use of any drug, device or procedure by the faculty, will be disclosed on-site to activity participants. Further, participants will be asked to evaluate all speakers’ content for bias and balance at the symposium.

Pre-session faculty

Theresa Baker, R.N., BSN
Trauma Outreach and Prevention Coordinator
Trauma Institute
University of Louisville Hospital
Louisville, Ky.

Wanda L. Bowen, CAISS
Trauma Database Manager
Trauma Institute
University of Louisville Hospital
Louisville, Ky.

Trish Cooper, CAISS, CSTR
Trauma Research Coordinator
UK HealthCare
Lexington, Ky.

David S. Foley, M.D., FACS, FAAP
Associate Professor, Pediatric Surgery
University of Louisville School of Medicine
Director of Trauma and Burns
Kosair Children’s Hospital
Louisville, Ky.

General session guest faculty

Martin A. Croce, M.D., FACS
Professor of Surgery
Chief, Division of Trauma and Critical Care
University of Tennessee Health Science Center
Memphis, Tenn.

Gregory Jerome “Jerry” Jurkovich, M.D., FACS
Director of Surgery
Denver Health Medical Center
Denver, Colo.

Fred A. Luchette, M.D., M.Sc.
Professor of Surgery
Division of General Surgery
Loyola University
Chicago, Ill.

L.R. “Tres” Scherer III, M.D.
Medical Director, Trauma Services
St. Luke’s Children’s Hospital
Volunteer Professor, Department of Surgery
Boise, Idaho
Indiana University School of Medicine
Indianapolis, Ind.
General session Kentucky faculty

Matthew V. Benns, M.D.
Assistant Professor of Surgery
Division of General Surgery
University of Louisville School of Medicine
Louisville, Ky.

Julia F. Costich, MPA, J.D., Ph.D.
Professor and Associate Chair, Department of Health Services Management
University of Kentucky College of Public Health
Associate Director
Kentucky Injury Prevention and Research Center
Lexington, Ky.

Leah Curry, R.N.
Trauma Coordinator
Taylor Regional Hospital
Level III Trauma Center
Campbellsville, Ky.

Leslie (Les) Fryman, EMT-P, M.S.
EMS Training Officer
Lexington Fire Department/EMS
Lexington, Ky.

Dana Garrett, R.N., BSN
Nursing Services Administrator
Taylor Regional Hospital
Level III Trauma Center
Campbellsville, Ky.

Sandra M. Herr, M.D.
Associate Professor of Pediatrics
University of Louisville School of Medicine
Medical Director
Kosair Children’s Hospital Emergency Department
Louisville, Ky.

Patricia K. Howard, Ph.D., R.N., CEN, CPEN, NE-BC, FAEN, FAAN
Operations Manager, Emergency Services
University of Kentucky Chandler Medical Center
Lexington, Ky.

Benjamin Hughes, R.N., MSN, M.S., CCRN
Director, Trauma Institute and Cardiopulmonary Services
University of Louisville Hospital
Louisville, Ky.

Paul A. Kearney Jr., M.D., FACS
Professor of Surgery
Department of General Surgery
University of Kentucky College of Medicine
Chief, Section of Trauma and Critical Care
University of Kentucky Hospital
Lexington, Ky.

Mary Nan Mallory, M.D., FACEP, FAAEM
Professor, Emergency Medicine
Residency Program Director
University of Louisville School of Medicine
Louisville, Ky.

Ian S. Mutchnick, M.D.
Pediatric Neurosurgeon
Norton Neuroscience Institute
Louisville, Ky.

Jaime E. Pittenger, M.D., FAAP
Hospitalist
UK HealthCare, Department of Pediatrics
Kentucky Children’s Hospital
Assistant Professor, Clinical Title Series
University of Kentucky Chandler Medical Center
Lexington, Ky.

Scott H. Plantz, M.D., FAAEM
Associate Professor, Emergency Medicine
University of Louisville School of Medicine
Louisville, Ky.

Janet Smith, R.N., BSN
Director, Clinical Education, Quality, Safety, Security, Risk Management
Trauma Coordinator, Trauma Registrar
Marcum and Wallace Memorial Hospital
Irvine, Ky.

Jason W. Smith, M.D., Ph.D., FACS
Associate Professor, General Surgery
University of Louisville School of Medicine
Louisville, Ky.

Eugene H. Shively, M.D., FACS
General Surgeon
Taylor Regional Surgical Associates
Taylor Regional Hospital
Campbellsville, Ky.

Steven R. Vallance, M.D., Ph.D., FACS
General, Thoracic and Vascular Surgeon
Frankfort Regional Medical Center
Frankfort, Ky.
Advanced Burn Life Support (ABLS) Provider course
Wednesday, Sept. 11, 2013
7:30 a.m. to 4 p.m.

Instructor: Theresa Baker, R.N., BSN
The Advanced Burn Life Support (ABLS) Provider course is an eight-hour course for physicians, nurses, physician assistants, nurse practitioners and paramedics. The class is designed to provide the “how-to” of emergency care of burn patients through the first 24-hour critical time period. Following a series of lectures, case studies are presented for group discussions. Participants will have an opportunity to work with a simulated burn patient to reinforce knowledge of the assessment, stabilization and American Burn Association criteria for transfer to a burn center. Testing consists of a written exam and practical assessment. This class is for clinical staff or first-time attendees only. Class size is limited to 20. Funding for this class is provided by the Kentucky Fire Sprinkler Contractors Association Foundation.

The American Burn Association designates this continuing medical education activity for up to 7.25 AMA PRA Category 1 Credits™ of the American Medical Association’s Physician’s Recognition Award. This program also has been approved by the American Association of Critical Care Nurses for 7 contact hours, Synergy CERP Category A, File 00017581.

To register, contact Theresa Baker, R.N., BSN, at (502) 562-3929 or therebak@ulh.org.

Agenda
7:30 a.m.  Registration
8 a.m. to 4 p.m.  Program

Objectives
1. Evaluate a patient with a serious burn.
2. Define the magnitude and severity of the injury.
3. Identify and establish priorities of treatment.
4. Manage the airway and support ventilation.
5. Initiate and monitor fluid resuscitation.
6. Apply correct methods of physiological monitoring.
7. Determine which patients should be transferred to a burn center.
8. Organize and conduct the interhospital transfer of a seriously injured burn patient.
Pediatric Trauma Resuscitation course for prehospital and emergency department providers

Wednesday, Sept. 11, 2013
7:30 a.m. to 3:30 p.m.

Instructor: David S. Foley, M.D., FACS, FAAP

This one-day course will cover the basics of pediatric trauma resuscitation. It is designed for prehospital and emergency department providers. Guidelines and information will be presented on initial patient evaluation and resuscitation, chest and abdominal injuries, head injuries, orthopaedic injuries, and burn resuscitation and management. At the conclusion of the course, case scenarios will be provided for attendees to consolidate knowledge acquired during the morning sessions. Cost is $30.

Norton Healthcare designates this educational activity for a maximum of 6.25 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

For information on nursing education credits for this workshop, refer to the Continuing Education section of this brochure.

Agenda

7:30 a.m. Registration
8 a.m. Initial Resuscitation and Management of the Pediatric Trauma Patient
9 a.m. Abdominal Injury
10 a.m. Break
10:15 a.m. Chest Injury
11 a.m. Head Injury
Noon Lunch (provided)
1 p.m. Resuscitation and Management of Pediatric Burns
2 p.m. Case scenarios (simulation lab)
3:30 p.m. Adjournment

Objectives

1. Describe the basic principles of trauma resuscitation in severely injured pediatric patients.
2. Review the most common types of injury in children and their management.
3. Discuss the choreography of the trauma team in the emergency department resuscitation phase of pediatric trauma.

Kentucky Trauma Registrar course

Wednesday, Sept. 11, 2013
10 a.m. to 2 p.m.

Instructors: Wanda L. Bowen, CAISS, and Trish Cooper, CAISS, CSTR

The benefits of having a nationally trained trauma registrar include a standardized approach for valid data collection. Such a system supports trauma program efforts in research, performance improvement, patient safety and injury prevention. Sample case studies will be presented with patient and hospital identifiers removed. Partial chart review and partial data abstraction process will be presented for open discussion during the course. This course is free and no continuing educational hours are given.

Agenda

10 a.m. Welcome – Wanda L. Bowen, CAISS
10:15 a.m. Deidentified trauma patient case studies with discussion of multiple trauma registry data points
   Case study 1
   Wanda L. Bowen, CAISS
   Case study 2
   Trish Cooper, CAISS, CSTR
Noon Networking lunch
1 p.m. Open registrar meeting and wrap-up
   Discussion of questions, concerns and current issues
2 p.m. Adjournment

Objective

Learn and/or review all aspects of trauma chart abstraction pertinent to trauma registry needs.

           Jason W. Smith, M.D., Ph.D., FACS
           Afternoon keynote
           Delivering Bad News
           Gregory Jerome “Jerry” Jurkovich, M.D., FACS
           Desired practice change: Understand the needs of and how to communicate effectively with families in the context of devastating injuries that permanently alter the family unit.

1:30 p.m.  Gunshot Wounds to the Extremities
           Matthew V. Benns, M.D.
           Desired practice change: Improve understanding of the initial and definitive management of gunshot wounds to the extremities, from field to rehabilitation.

2:15 p.m.  The Kentucky Trauma Registry in the Era of Kentucky Trauma System Legislation
           Julia F. Costich, MPA, J.D., Ph.D.
           Desired practice change: Determine deficits and trends to prioritize prevention, recognition and standardization of care.

3 p.m.    Pediatric Mild Closed-head Injuries: Basic Management and Assessment
           Ian S. Mutchnick, M.D.
           Desired practice change: Recognition of when regional transfer to a higher level of trauma care is necessary.

3:45 p.m. Evaluation/adjournment

General session course objectives

Upon completion of the symposium, participants will be able to:

• Identify epidemiological factors related to trauma and emergency medicine.
• Describe the prehospital, medical and nursing management of specific emergency conditions, injuries and complications.
• Analyze selected contemporary issues affecting trauma and emergency care systems.
• Examine current research and trends of care for trauma and emergency medicine patients.

Sponsors reserve the right to substitute speakers with equivalent credentials for both days. Norton Healthcare adheres to the ANCC’s policies, including the standard for commercial support, regarding industry support of continuing nursing education and nonendorsement of off-label use of a product for which it was intended by the Food and Drug Administration.
Conference program

Continuing education

These activities have been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of Norton Healthcare, University of Louisville Hospital and the University of Kentucky.

Physicians

Accreditation: Norton Healthcare is accredited by the Kentucky Medical Association to provide continuing medical education for physicians. Refer to each activity’s description for designation statements of AMA PRA Category 1 Credits™. Designation: Norton Healthcare designates this educational activity for a maximum of 12.50 (6 hours on Thursday, 6.50 hours on Friday) AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

For questions related to CME, contact Carol Fout-Zignani, R.N., MSN, CCMEC, director of Norton Healthcare CME, by phone at (502) 629-8574, fax (502) 629-6556 or email carol.fout-zignani@nortonhealthcare.org.

Nurses

Norton Healthcare is an approved provider of continuing nursing education by the North Carolina Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

Participants must attend the entire course and complete the evaluation to receive contact hours.

For questions related to nursing credit, call Debora Williams, MHA, BSN, RN-BC, Norton Healthcare Institute for Nursing, at (502) 629-7359 or email debbie.williams@nortonhealthcare.org.

Sept. 11: Pediatric Trauma Resuscitation pre-session course; ANCC #094-20-202; 6.25 contact hours

Sept. 12: Kentucky Statewide Trauma and Emergency Medicine Symposium day 1; ANCC #094-20-203; 6 contact hours

Sept. 13: Kentucky Statewide Trauma and Emergency Medicine Symposium day 2; ANCC #094-20-204; 6.50 contact hours

Emergency medical technicians and paramedics

Education credit will be provided by the Kentucky Board of Emergency Medical Services and the Kentucky Emergency Medical Services for Children Project. A certificate will be provided to each attendee. For questions related to EMT/paramedic credit, contact the Kentucky Board of Emergency Medical Services at (859) 256-3577.

Other allied health professionals

All other disciplines for whom preapproval has not been received will be provided a certificate of attendance after the symposium. Participants will be responsible for submission to their professional boards if credit is desired.

Location and accommodations

The Crowne Plaza Louisville Airport Hotel is located at 830 Phillips Lane, minutes from Louisville International Airport (SDF) and major attractions such as Churchill Downs, the Kentucky Derby Museum, Louisville Zoo and Kentucky Exposition Center. Take advantage of complimentary shuttle service — hotel staff provides all guests with free rides to and from the airport and any destinations within a three-mile radius of the hotel. Amenities include free high-speed wired and wireless Internet in rooms and uncovered free parking on hotel grounds. A block of rooms is available at a group rate of $119 per night, plus tax. To make a reservation, call (800) 626-2708. To obtain the conference rate, reserve on or before Monday, Aug. 12, 2013, and mention that you are attending the Kentucky Statewide Trauma and Emergency Medicine Symposium. Reservations and cost are the responsibility of the individual.

Special needs

Planners of this activity are committed to making the conference accessible to all individuals. Describe any auxiliary aids or services needed (identified in the Americans with Disabilities Act) at time of registration. Most requests can be obliged.
Registration

Pre-session courses

**ABLS course:** No charge; limited to 20 participants

**Pediatric Trauma Resuscitation course:** All attendees $30; includes break and CE credit

**Kentucky Trauma Registrar course:** No charge; no CE hours given

General sessions

**Registration deadline:** Monday, Aug. 12, 2013

Late registrations will be accepted until Wednesday, Sept. 11, 2013.

Walk-ins for general sessions will be charged an additional $25 per day; accommodations not guaranteed

**Cancellation policy/walk-in registration:** We cannot guarantee refreshments or a seat after Monday, Aug. 12, 2013, when printing and catering numbers will be finalized. As a courtesy to the planners, kindly cancel your registration by Wednesday, Sept. 4, 2013. Cancel by calling the Norton Healthcare Access Center at (502) 629-1234, option 2. All registrants will be sent a confirmation if registration is received on or before Aug. 12, 2013. Registration fee is refundable if canceled prior to Aug. 12, 2013, minus a $30 cancellation fee. Should the sponsors cancel this conference, registration fees will be reimbursed in full. However, no sponsor is responsible for any other costs incurred by the participant. Registration fees are nonrefundable after Aug. 30, 2013.
